Everything is Energy Show Topics for Episode #495 08/20/15:

- All discussions of energetic imbalances *reference certain frequencies an imbalance may be similar to. A frequency is NOT the actual disease.*
- Newly revealed Hereditary imbalances added to the AIM database.
- Discussed frequencies that can impact arthritis issues and vision issues.
- What makes you heal? Everyone on AIM, including infants and animals, will focus their higher consciousness to select whatever energetic imbalances they need to heal. This will continue until the imbalance is removed from their consciousness.
- As we often discuss, this is a spiritual process, as is life.

Newly Revealed Hereditary Frequency Update As of August 20, 2015

This week there were four new Hereditary frequencies revealed to us.

The first new Hereditary frequency 8731 was revealed to us and added to the AIM Program on August 17, 2015. This frequency is believed to function within the energetic orbs of the Lungs, Respiratory System, Muscles, Joints, Digestive Tract, Stomach, Bladder, Urinary Tract, Low Back and Hip Joints or wherever it is in you if you have it.

It may manifest itself through the unresolved emotional etiologic frequency of: Impatience.

The second new Hereditary frequency 8741 was revealed to us and added to the AIM Program on August 17, 2015. This frequency is believed to function within the energetic orbs of the Bladder, Urinary Tract, Reproductive Organs, Skin, Brain, Muscles, Joints, Digestive Tract and Stomach or wherever it is in you if you have it.

It may manifest itself through the unresolved emotional etiologic frequency of: Frustration.

The third new Hereditary frequency 8751 was revealed to us and added to the AIM Program on August 18, 2015. This frequency is believed to function within the energetic orbs of the Lungs, Respiratory System, Muscles, Joints, Digestive Tract, Stomach and Colon or wherever it is in you if you have it.

It may manifest itself through the unresolved emotional etiologic frequency of: Irritability.

The fourth new Hereditary frequency 8761 was revealed to us and added to the AIM Program on August 19, 2015. This frequency is believed to function within the energetic orbs of the Lungs, Respiratory System, Muscles and Joints or wherever it is in you if you have it.

It may manifest itself through the unresolved emotional etiologic frequency of: Judgemental.

Here is the update on past frequencies that were revealed and added to the AIM Program last week:

8658, 8668 & 8711 We believe have balanced in all those AIM Participants who were clearing them.

8721 We believe will balance in all those AIM Participants who are clearing it by the end of this weekend.

Regarding the frequencies that have cleared, we clarify: "We cannot say with certainty or accuracy that they have cleared in all, because we cannot check all. Additionally, some heal more slowly because of underlying energetic weakness, such as the frequency of parasites."

REMINDER: Although the frequencies have balanced in those who are positive for them, we may have to allow our physical being to strengthen to notice the positive effects.

For more information on the latest frequencies you can listen to the Everything is Energy Show every Thursday morning from 9-10 AM (Pacific). (See the listing in [Events](#).)

Myra from Texas

"In 1970 I started out with problems with my heart, but Heart Specialists couldn't tell me what the problem was. So, over the next few years, my health continued to get worse and worse. I had Fibromyalgia, Atrial Fibrillation in the heart. I had a great deal of nerve damage all over my body, which was causing a tremendous amount of pain. The Fibromyalgia was causing muscle spasms that were very severe. My toes

would curl up under my feet and I could barely walk. I had accumulated about 17 illnesses at that point, when I got on The AIM Program. So, it's been a miracle to go from being almost dead a year and a half ago to being alive again, and I'm so grateful to AIM for that."

**"We deal with energy and spirit, which is to say, Consciousness.
As you also know, we measure energetic imbalances,
which are, by definition, spiritual,
which means that they exist in Consciousness."
