Everything is Energy Show Topics for Episode #496 08/27/15:

- All discussions of energetic imbalances *reference certain frequencies an imbalance may be similar to. A frequency is NOT the actual disease.*
- Newly revealed Hereditary imbalances added to the AIM database.
- We need to clearly understand that as we heal, we are dealing with what we are made of, including emotional and spiritual aspects of ourselves.
- Stephen suspects Hereditary imbalances could go back 10-20 generations.
- Until someone has self-healed all "known" hereditary imbalances, it's impossible to identify what frequencies may still be hidden in their consciousness. The presence of just one known imbalance can serve as a mask for some "unknown" frequency to hide behind.
- Discussed the many frequencies added in just the last month with a frequency component capable of impacting the energetic orb of the joints.
- Future topics to think about once we've healed all hereditary imbalances: Have we addressed all of our "karmic" imbalances, all of our unresolved emotional imbalances? How else can we minimize the aging process? Can any frequencies help us produce more collagen? Stephen has high hopes and interest in all of these areas, but said it's way more important to first address all identifiable hereditary imbalances: "There's no point in producing a lot of collagen if we're gone".

This frequency is believed to function within the energetic orbs of the Bladder, Urinary Tract, Kidneys, Lungs, Respiratory System, Muscles, Joints, Digestive Tract and Stomach or wherever it is in you if you have it.

It may manifest itself through the unresolved emotional etiologic frequency of: Over Agressiveness.

The second new Hereditary frequency 8722 was revealed to us and added to the AIM Program on August 24, 2015. This frequency is believed to function within the energetic orbs of the Bloodstream, Circulatory System, Feet, Lungs, Urinary Tract, Bladder, Kidneys, Digestive Tract and Stomach or wherever it is in you if you have it.

It may manifest itself through the unresolved emotional etiologic frequency of: Impatience.

The third new Hereditary frequency 8732 was revealed to us and added to the AIM Program on August 25, 2015. This frequency is believed to function within the energetic orbs of the Skin and Brain or wherever it is in you if you have it.

It may manifest itself through the unresolved emotional etiologic frequency of: Unhappiness.

The fourth new Hereditary frequency 8742 was revealed to us and added to the AIM Program on August 25, 2015. This frequency is believed to function within the energetic orbs of the Skin, Mouth, Gums, Oral Mucosa, Lungs and Respiratory System or wherever it is in you if you have it.
It may manifest itself through the unresolved emotional etiologic frequency of: Moodiness.

The fifth new Hereditary frequency 8752 was revealed to us and added to the AIM Program on August 26, 2015. This frequency is believed to function within the energetic orbs of the Circulatory System, Digestive Tract, Stomach, Liver, Spleen, Skin, Brain, Bladder, Urinary Tract and Kidneys or wherever it is in you if you have it.
It may manifest itself through the unresolved emotional etiologic frequency of: Intolerance.

Here is the update on past frequencies that were revealed and added to the AIM Program last week:

8731, 8741. 8751 & 8761 We believe have balanced in all those AIM Participants who were clearing them.

Regarding the frequencies that have cleared, we clarify: "We cannot say with certainty or accuracy that they have cleared in all, because we cannot check all. Additionally, some heal more slowly because of underlying energetic weakness, such as the frequency of parasites."

REMINDER: Although the frequencies have balanced in those who are positive for them, we may have to allow our physical being to strengthen to notice the positive effects.
