Everything is Energy Show Topics for Episode #510 12/10/15:

- All discussions of energetic imbalances *reference certain frequencies an imbalance may be similar to. A frequency is NOT the actual disease.*
- Newly revealed Hereditary imbalances added to the AIM database.
- Stephen is more hopeful than ever that we've reached the illusive "bottom of the barrel" for most on AIM long enough.
- Discussed the significance of this, and a variety of implications of having no remaining Hereditary imbalances.
- Consciousness and spirituality: inseparable, difficult-to-define key concepts of the AIM Program. Each of us may have our own definitions. Continued discussion next week, along with healing emotions and karma.

Newly Revealed Hereditary Frequency Update As of December 10, 2015

This week there were three new Hereditary frequencies revealed to us.

The first new Hereditary frequency 8863 was revealed to us and added to the AIM Program on December 3, 2015. This frequency is believed to function within the energetic orbs of the Lungs, Respiratory System, Digestive Tract, Stomach, Muscles, Joints, Skin, Throat, Sinuses and Heart or wherever it is in you if you have it.

It may manifest itself through the unresolved emotional etiologic frequency of: Dissatisfaction.

The second new Hereditary frequency 8814 was revealed to us and added to the AIM Program on December 3, 2015. This frequency is believed to function within the energetic orbs of the Brain, Skin, Lungs, Respiratory System, Muscles and Joints or wherever it is in you if you have it.

It may manifest itself through the unresolved emotional etiologic frequency of: Indecision.

The third new Hereditary frequency 8824 was revealed to us and added to the AIM Program on December 10, 2015. This frequency is believed to function within the energetic orbs of the Kidneys, Bladder, Urinary Tract, Lymphatic System, Low Back and Hip Joints or wherever it is in you if you have it.

It may manifest itself through the unresolved emotional etiologic frequency of: Apprehension.

Here is the update on past frequencies that were revealed and added to the AIM Program last week:

8842, 8852, 8862, 8813, 8823, 8833, 8843 & 8853 We believe have balanced in all those AIM Participants who were clearing them.

Regarding the frequencies that have cleared, we clarify: "We cannot say with certainty or accuracy that they have cleared in all, because we cannot check all. Additionally, some heal more slowly because of underlying energetic weakness, such as the frequency of parasites."

REMINDER: Although the frequencies have balanced in those who are positive for them, we may have to allow our physical being to strengthen to notice the positive effects.

For more information on the latest frequencies you can listen to the Everything is Energy Show every Thursday morning from 9-10 AM (Pacific). (See the listing in [Events](#).)

Michael from Canada

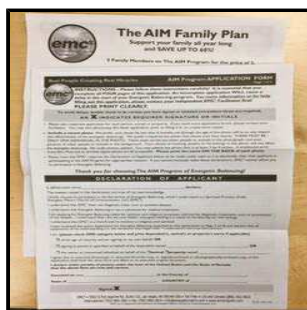

Soon after Michael was born he was diagnosed with Down Syndrome. He had holes in his heart (ASD's), hypothyroidism, severe hearing loss (right ear), severe hypotonia (generalized), multiple respiratory issues from almost constant nasal congestion, flus and colds to being hospitalized twice for croup, pneumonia and

RSV.

Michael began self-healing through The AIM Program in March 2006, the next day he began hitting his right ear and his hearing seems improved in that ear. He still does this periodically. Now he is borderline hypothyroidism. He has absolutely no respiratory issues. Growth and development have very much improved. So much so that all professionals he is in contact with have verbalized noticeable movement. He has gained weight. Michael is a different child as noted by medical professionals, family and friends. He is progressing amazingly; he is attentive, alert and very active. He has made more progress since he has been on The AIM Program than he has his whole life."

Update: "Michael is doing FANTASTIC! He continues his self-healing at a much steadier and faster pace. We recently had a "team meeting" with Michael's professionals. Every practitioner had his or her own impressive statements to share. What a feeling to hear so many positive comments like: "Michael shouldn't be able to hear that low tone" and "I was sure it would be a long battle to teach him to walk and he is already walking."

**"On the other hand, if you have a frequency that we believe is the conscious resonance or spiritual essence associated with what might best be called a 'disease entity' in your consciousness, what we do is help you remove it by giving you the right tool. That's why when people ask if they have a disease, I say I have no idea."
