Everything is Energy Show Topics for Episode #512 01/07/16:

- All discussions of energetic imbalances *reference certain frequencies an imbalance may be similar to. A frequency is NOT the actual disease.*
- Newly revealed Hereditary imbalances added to the AIM database.
- All but one of these frequencies was revealed and added to the AIM trays over the Holidays, which speaks to EMC²'s dedication to assuring the AIM technology is as up-to-date as possible to help us self-heal.
- The concept of us healing ourselves is still too far out for most people; we're taught to give our power away, that others can "fix" us.
- We are all part of a hologram - there is no "center", and everything in the hologram is consciousness. This includes imbalances, which are alive and conscious in their own way, with strong intent to remain hidden and destroy us if not self-healed.

The seventh new Hereditary frequency 8836 was revealed to us and added to the AIM Program on January 2, 2016. This frequency is believed to function within the energetic orb of the Skin or wherever it is in you if you have it.
Unresolved Emotional Etiologic Frequency: Irritability.

Here is the update on past frequencies that were revealed and added to the AIM Program last week:

8815, 8825, 8835, 8845, 8855, 8865 & 8816 We believe have balanced in all those AIM Participants who were clearing them.

8826 & 8836 We believe will balance in all those AIM Participants who are clearing them by the end of this weekend.

Regarding the frequencies that have cleared, we clarify: "We cannot say with certainty or accuracy that they have cleared in all, because we cannot check all. Additionally, some heal more slowly because of underlying energetic weakness, such as the frequency of parasites."

REMINDER: Although the frequencies have balanced in those who are positive for them, we may have to allow our physical being to strengthen to notice the positive effects.

Binta from Nigeria

Our last born is now 7 years old and I am fast approaching menopause. I silently prayed for another baby. In between the years, we have tried several conventional methods but all in vain. Both of us were informed

of our evaluation - 100 LF at the same time. Then it happened. I missed my period and later on confirmed that indeed it was a pregnancy. Another coincidence after almost 7 years of trial. How wonderful it is to have a new generation of babies born in AIM. I thank God for EMC².

"Spirit is energy and energy is spirit. E=MC². Energy is in all things and makes up all things. Thus, all illness is spiritual, which is to say that all illness is energetic in nature. "Dis-ease" is due to an individual's misalignment with the power of the spiritual energy, which is in them and which is all around them. By realigning the individual to be in harmony with the spiritual force, the life-force, the subtle energetic matrix that makes up the entire universe – that individual's physical, emotional and even spiritual ailments will disappear."
