Newly Revealed Hereditary Frequency Update As of July 30, 2015

This week there were four new Hereditary frequencies revealed to us.

The first new Hereditary frequency 8627 was revealed to us and added to the AIM Program on July 28, 2015. This frequency is believed to function within the energetic orbs of the Lungs, Respiratory System, Muscles, Joints, Digestive Tract, Stomach, Lymph Glands and Adrenals or wherever it is in you if you have it.

It may manifest itself through the unresolved emotional etiologic frequency of: Irritability.

The second new Hereditary frequency 8637 was revealed to us and added to the AIM Program on July 28, 2015. This frequency is believed to function within the energetic orbs of the Bladder, Urinary Tract, Kidneys, Muscles, Joints, Throat, Sinuses, Heart, Lungs and Respiratory System or wherever it is in you if you have it.

It may manifest itself through the unresolved emotional etiologic frequency of: Mistrustfulness.

The third new Hereditary frequency 8647 was revealed to us and added to the AIM Program on July 28, 2015. This frequency is believed to function within the energetic orbs of the Lymph Glands, Skin, Brain, Colon or wherever it is in you if you have it.

It may manifest itself through the unresolved emotional etiologic frequency of: Self Denial.

The fourth new Hereditary frequency 8657 was revealed to us and added to the AIM Program on July 30, 2015. This frequency is believed to function within the energetic orbs of the Bladder, Urinary Tract, Kidneys, Lungs, Respiratory System, Low Back and Hip Joints or wherever it is in you if you have it.

It may manifest itself through the unresolved emotional etiologic frequency of: Unhappiness.

Here is the update on past frequencies that were revealed and added to the AIM Program last week:

8656, 8666 & 8617 We believe have balanced in all those AIM Participants who were clearing them.

Regarding the frequencies that have cleared, we clarify: "We cannot say with certainty or accuracy that they have cleared in all, because we cannot check all. Additionally, some heal more slowly because of underlying energetic weakness, such as the frequency of parasites."

REMINDER: Although the frequencies have balanced in those who are positive for them, we may have to allow our physical being to strengthen to notice the positive effects.

Joyce from Arizona

I have been self-healing through The AIM Program and its predecessors since 1991. I have seen many changes in myself that I can only attribute my self-healing to The AIM Program since I have not been involved in any other spiritual modalities or needed any medical care. What I am referring to, is how young I feel and look. I am a mature woman and many think I am 20 years younger than my chronological age. When I see photos of myself with my peers it is undeniable that I look years younger than they do. Many of my friends take numerous medications and have a difficult time moving around. Not me! I walk miles every day, take water aerobics, drive my convertible all over and chase my kitten around without getting tired. I guess you could say I am the ageless Grandma. All I can say is if it wasn't for the self-healing I have achieved with the anti-aging frequencies and the numerous others on The AIM Program, I know I would not feel or look the way I do!
