Here is the update on past frequencies that were revealed and added to the AIM Program last week:

8717, 8727, 8737, 8747 & 8757 We believe have balanced in all those AIM Participants who were clearing them.

8767 We believe will balance in all those AIM Participants who are clearing it by the end of this weekend.

Regarding the frequencies that have cleared, we clarify: "We cannot say with certainty or accuracy that they have cleared in all, because we cannot check all. Additionally, some heal more slowly because of underlying energetic weakness, such as the frequency of parasites."

REMINDER: Although the frequencies have balanced in those who are positive for them, we may have to allow our physical being to strengthen to notice the positive effects.

Charles from Texas

I have always been a normally healthy individual but I have been on medication for high blood pressure and enlarged heart since 1994. I began picking up symptoms of Alzheimer's Disease somewhere along here. My wife got us both on The AIM Program in October 2005. By Christmas 2005, my health had declined to the point where I had periods of unconsciousness and heart and lung congestion.

In January of 2006, I was diagnosed with Alzheimer's Disease and began taking medication. In the ensuing time, I have shown constant improvement and the doctor has reduced my blood thinner on two occasions. Of course, they give all the credit to their medicine but I am inclined to give it to my own self-healing on AIM. I am now going through a period of what can only be detoxing. I have a 'breaking out' in my scalp which even the barber knows the name for but which I can't remember.

The reason I am sold on The AIM Program is that I have experienced the self-healing. Thank you so very much!!
