Everything is Energy Show Topics for Episode #507 11/12/15:

- All discussions of energetic imbalances *reference certain frequencies an imbalance may be similar to. A frequency is NOT the actual disease.*
- Newly revealed Hereditary imbalances added to the AIM database.
- Very common example of how we are all connected is when someone feels the symptoms of healing a new Hereditary frequency before it is actually added to the AIM database.
- Discussed a circulatory frequency component and a sinus frequency component to highlight how Hereditary frequencies lay a foundation that allows certain energetic orbs to be easily impacted by acquired imbalances.
- Stephen believes intuition can be developed, versus being primarily a mystical gift. It's a vision and wisdom that develops over time as one's passion and commitment to a given endeavor deepens.

Newly Revealed Hereditary Frequency Update

As of November 12, 2015

This week there were four new Hereditary frequencies revealed to us.

The first new Hereditary frequency 8768 was revealed to us and added to the AIM Program on November 9, 2015. This frequency is believed to function within the energetic orbs of the the Nose, Throat, Sinuses, Heart, Skin, Muscles, Joints, Digestive Tract and Lymphatic System or wherever it is in you if you have it. It may manifest itself through the unresolved emotional etiologic frequency of: Withdrawal.

The second new Hereditary frequency 8811 was revealed to us and added to the AIM Program on November 10, 2015. This frequency is believed to function within the energetic orbs of the Lungs, Respiratory System, Digestive Tract, Stomach, Muscles, Joints, Tendons, Nose and Sinuses or wherever it is in you if you have it.

It may manifest itself through the unresolved emotional etiologic frequency of: Irritability

The third new Hereditary frequency 8821 was revealed to us and added to the AIM Program on November 10, 2015. This frequency is believed to function within the energetic orbs of the Skin, Brain, Lungs, Respiratory System, Digestive Tract and Stomach or wherever it is in you if you have it.

It may manifest itself through the unresolved emotional etiologic frequency of: Discontentment.

The fourth new Hereditary frequency 8831 was revealed to us and added to the AIM Program on November 12, 2015. This frequency is believed to function within the energetic orbs of the Bloodstream, Circulatory System, Joints, Liver and Gallbladder or wherever it is in you if you have it.

It may manifest itself through the unresolved emotional etiologic frequency of: Impatience.

Here is the update on past frequencies that were revealed and added to the AIM Program last week:

8718, 8728 & 8738 We believe have balanced in all those AIM Participants who were clearing them.

8748 & 8758 We believe will balance in all those AIM Participants who are clearing them by the end of this weekend.

Regarding the frequencies that have cleared, we clarify: "We cannot say with certainty or accuracy that they have cleared in all, because we cannot check all. Additionally, some heal more slowly because of underlying energetic weakness, such as the frequency of parasites."

REMINDER: Although the frequencies have balanced in those who are positive for them, we may have to allow our physical being to strengthen to notice the positive effects.

Ana from California

The best thing that has happened in my life, after being a mother, is to be part of the AIM Program.

Before participating on AIM, my life was sad and senseless. Physically my body was deteriorating due to disease such as hypoglycemia, hiatal hernia, sciatica, and metabolic system problems along with anxiety and depression. Spiritually, I was lost without any guide, belief or hope of a better future. Emotionally I felt

as if I was dead in life.

After starting AIM, my life changed as day into night. Physically my body began to self-heal the ailments without any medication. Spiritually, I feel like I found the light in the midst of darkness and no longer feel alone. I now have hopes of better things in my life. Emotionally, I feel like I am waking from a long dream in which I was just a spectator.

My self-healing through the AIM Program has helped me understand that I am responsible for everything that I have or do not have in my life. My self-healing has taught me to enjoy each day of my life and to appreciate how lucky and blessed I am to be one of the people who can sincerely say "I FEEL ALIVE". I thank EMC² with deep gratitude for the AIM Program and for giving me the opportunity to enjoy playing the game of life with more miracles to come.
