Everything is Energy Show Topics for Episode #502 10/08/15:

- All discussions of energetic imbalances *reference certain frequencies an imbalance may be similar to. A frequency is NOT the actual disease.*
- Newly revealed Hereditary imbalances added to the AIM database.
- The closer something is to "spirituality", such as the AIM Program, the harder it is to define. AIM stimulates your consciousness to select whatever balancing energies you need to heal your imbalances. You do this as a matter of basic instinct to survive, something that's part of the package when you are born. Beyond that, AIM provides thousands of "volitional" or enhancing frequencies to help you increase your consciousness, if you so choose.
- Stephen defines consciousness as the degree to which you perceive and feel your connection to everyone and everything in the universe. Increasing your level of consciousness is a personal choice.
- Discussed what "energetic uncertainty" means and doesn't mean.
- If in fact Stephen has finally identified the last of Hereditary imbalances present in most people, then he can quickly clear any recheck backlog and move on to other things, such as: enhancing frequencies, more targeted anti-aging frequencies and maybe finally, an update to Sanctuary.
- Discussed "immune deficiency frequency": what it is, what it does energetically and why it's so important to have no remaining Hereditary imbalances.

Newly Revealed Hereditary Frequency Update As of October 08, 2015

This week there were two new Hereditary frequencies revealed to us.

The first new Hereditary frequency 8755 was revealed to us and added to the AIM Program on October 5, 2015. This frequency is believed to function within the energetic orbs of the Bladder, Urinary Tract, Kidneys, Pancreas, Lungs, Respiratory System, Muscles and Joints or wherever it is in you if you have it. It may manifest itself through the unresolved emotional etiologic frequency of: Irritability.

The second new Hereditary frequency 8765 was revealed to us and added to the AIM Program on October 5, 2015. This frequency is believed to function within the energetic orbs of the Skin, Digestive Tract, Lungs, Respiratory System, Muscles and Joints or wherever it is in you if you have it. It may manifest itself through the unresolved emotional etiologic frequency of: Withdrawal.

Here is the update on past frequencies that were revealed and added to the AIM Program last week:

8715, 8725, 8735 & 8745 We believe have balanced in all those AIM Participants who were clearing them.

Regarding the frequencies that have cleared, we clarify: "We cannot say with certainty or accuracy that they have cleared in all, because we cannot check all. Additionally, some heal more slowly because of

underlying energetic weakness, such as the frequency of parasites."

REMINDER: Although the frequencies have balanced in those who are positive for them, we may have to allow our physical being to strengthen to notice the positive effects.

For more information on the latest frequencies you can listen to the Everything is Energy Show every Thursday morning from 9-10 AM (Pacific). (See the listing in [Events](#).)

James from Arizona

I was diagnosed with testicular cancer in March 2005, and was referred to The AIM Energetic Balancing Program by my massage therapist. It is my nature to question and doubt that this type of program might help me to heal myself. My medical options were major surgery, chemotherapy or heal naturally and do nothing. After carefully considering everything, I took a leap, started The AIM Energetic Balancing Program and decided to have faith that energetic balancing would allow me to do the rest and heal myself, without any medical intervention. Today, I am cancer-free and continue to slowly heal and balance my life. I feel The AIM Program for the Sacrament of Energetic Balancing is essential to my life now and in the future."
