Everything is Energy Show Topics for Episode #503 10/15/15:

- All discussions of energetic imbalances *reference certain frequencies an imbalance may be similar to. A frequency is NOT the actual disease.*
- Newly revealed Hereditary imbalances added to the AIM database.
- On Tuesday, Stephen told Facilitators that he still could not find any signs of any remaining unknown Hereditary imbalances in himself, but discussed how he had been feeling dramatic "residuals" of cleared frequencies. Turns out, he was tricked again, and on Wednesday, was able to find not just one previously unknown imbalance, but two. He said to forget everything he said about "residuals".
- He will do all he can to learn how these frequencies masked themselves so well, as this will help all AIM participants, just as all of his discoveries do.
- Wherever your hereditary weaknesses are is where both Hereditary and acquired frequencies will settle.

Newly Revealed Hereditary Frequency Update As of October 15, 2015

This week there were three new Hereditary frequencies revealed to us.

The first new Hereditary frequency 8716 was revealed to us and added to the AIM Program on October 12, 2015. This frequency is believed to function within the energetic orbs of the Lungs, Respiratory System, Digestive Tract, Stomach, Low Back and Hip Joints or wherever it is in you if you have it. It may manifest itself through the unresolved emotional etiologic frequency of: Dissatisfaction.

The second new Hereditary frequency 8726 was revealed to us and added to the AIM Program on October 14, 2015. This frequency is believed to function within the energetic orbs of the Lungs, Respiratory System, Muscles, Joints, Digestive Tract, Stomach, Throat, Sinuses, Heart, Skin or wherever it is in you if you have it. It may manifest itself through the unresolved emotional etiologic frequency of: Irritability.

The third new Hereditary frequency 8736 was revealed to us and added to the AIM Program on October 14, 2015. This frequency is believed to function within the energetic orbs of the Skin, Brain, Lungs, Respiratory System, Digestive Tract, Stomach, Muscles, Joints or wherever it is in you if you have it. It may manifest itself through the unresolved emotional etiologic frequency of: Depression.

Here is the update on past frequencies that were revealed and added to the AIM Program last week:

8755 & 8765 We believe have balanced in all those AIM Participants who were clearing them.

Regarding the frequencies that have cleared, we clarify: "We cannot say with certainty or accuracy that they have cleared in all, because we cannot check all. Additionally, some heal more slowly because of underlying energetic weakness, such as the frequency of parasites."

REMINDER: Although the frequencies have balanced in those who are positive for them, we may have to allow our physical being to strengthen to notice the positive effects.

For more information on the latest frequencies you can listen to the Everything is Energy Show every Thursday morning from 9-10 AM (Pacific). (See the listing in [Events](#).)

MaryLynn from Arizona

I started on The AIM Program of self healing in April of 2007. At the very same time I was downsizing to a

house half the size, finalizing a divorce and moving to a new city. Most people will tell you that the two most stressful events in anyone's life is a divorce and a move. Just prior to being on The AIM Program of self healing my typical day was crying, crying and a lot of me. Soon after I began my self healing and I felt a lot of mind clarity and had tons of energy to do most of the labor myself with a few friends and family. I was able to feel calm and deal with my children and assist them in finishing their year of schooling. I was able to accomplish the move with what I would call a calm determination. Since April, I have felt a tremendous amount of peace and happiness. I can look around me and see and feel the depression gone with a lot of peace. My energy level is up and I feel better. I can hardly believe the change and I am looking forward to even more changes and more joy. Thank you!
