### Events

#### **Everything is Energy Show Topics for Episode #498 09/10/15:**

- All discussions of energetic imbalances *reference certain frequencies an imbalance may be similar to. A frequency is NOT the actual disease.*
- Newly revealed Hereditary imbalances added to the AIM database.
- How long does it take someone new to AIM to heal all their Hereditary imbalances? Impossible to state for sure, but Stephen feels most people self-heal their imbalances within 2 years of starting on AIM. Some may do so in a year, but that is rare. It's impossible to monitor everyone.
- Everyone is unique, so we can't make too many general statements about what people coming on AIM heal/focus on first. People heal imbalances in the order necessary for them, often first focusing on their most urgent needs, then imbalances most recently acquired, then the rest.
- Stephen believes all of these things play a part in one's healing time/process. What is most urgent for them to heal, How long an immune deficiency frequency has been present. How many imbalances they have. All the frequencies still being found and added to AIM.
- Discussed the individual evaluation process and pre-AIM events that preceded the discovery of an aerosolized immune deficiency frequency. This is discussed in Epilogue II in Sanctuary.
- Two important things to remember: what a frequency is similar to in Stephen may be entirely different in

someone else. When beginning on AIM, you are healing more than one frequency at a time. People like Stephen who have been on AIM for years and who have a life force of 100 are simply healing whatever Hereditary imbalance they have that has just been revealed and added to the AIM database, ie, usually, one at a time. They have self-healed everything else found prior to that.

- We cannot tell anyone what, if any frequency, they are in the process of healing at any given time.

## Newly Revealed Hereditary Frequency Update As of September 10, 2015

**This week there were three new Hereditary frequencies revealed to us.**

The first new Hereditary frequency 8743 was revealed to us and added to the AIM Program on September 8, 2015. This frequency is believed to function within the energetic orbs of the Brain, Skin, Cartilage, Nerves, Muscles, Joints, Bladder, Urinary Tract, Kidneys, Lungs and Respiratory System or wherever it is in you if you have it.

It may manifest itself through the unresolved emotional etiologic frequency of: Dissatisfaction.

The second new Hereditary frequency 8753 was revealed to us and added to the AIM Program on September 8, 2015. This frequency is believed to function within the energetic orbs of the Skin and Brain or wherever it is in you if you have it.

It may manifest itself through the unresolved emotional etiologic frequency of: Unhappiness.

The third new Hereditary frequency 8763 was revealed to us and added to the AIM Program on September 10, 2015. This frequency is believed to function within the energetic orbs of the Lungs, Respiratory System, Skin, Kidneys, Bladder, Urinary Tract and Liver or wherever it is in you if you have it.

It may manifest itself through the unresolved emotional etiologic frequency of: Depression.

**Here is the update on past frequencies that were revealed and added to the AIM Program last week:**

8742, 8752, 8762 & 8723 We believe have balanced in all those AIM Participants who were clearing them.

Regarding the frequencies that have cleared, we clarify: "We cannot say with certainty or accuracy that they have cleared in all, because we cannot check all. Additionally, some heal more slowly because of underlying energetic weakness, such as the frequency of parasites."

**REMINDER:** Although the frequencies have balanced in those who are positive for them, we may have to allow our physical being to strengthen to notice the positive effects.

For more information on the latest frequencies you can listen to the *Everything is Energy Show* every Thursday morning from 9-10 AM (Pacific). (See the listing in [Events](#).)

### Frank LaSpina from Nevada

"I'm Frank LaSpina, as the host of a weekly radio and television show about health I must admit I didn't join The AIM Program so much to feel better, as I was intrigued by stories I had heard about people dramatically improving their personal finances. Well, at that time in November of 2005, I wrote down what would have been for me 4 dream deals in business. Now, if any one of them had come true in 2006, I would have considered it a roaring success. Well within 48 hours of being on the tray, I accomplished 3 of the 4 deals. By the way, the fourth has since come to fruition as well, and as if all that weren't enough, as an added bonus, within that same first year I won \$25,000 as a contestant on Who wants to be a Millionaire? Needless to say, my wife became a believer as well. Yes I'm on the tray, and I'm never getting off!"
