Everything is Energy Show Topics for Episode #417 01/09/14:

- Details of newly revealed Hereditary imbalances added to the AIM database
- "Replacement" defined: a Hereditary imbalance that surfaces and/or is found once the frequency it was hiding behind has been self-healed or is "gone" in the participant
- Abundance of frequencies similar to various types of Encephalitis, with a variety of symptoms in different participants
- Several types of imbalances can impact hearing issues, plus the energetic orb of the bladder opens in to the ears
- With a life force of 100, most participants heal a newly-revealed imbalance (if they have it) within a week; most beginning on AIM have life forces less than 1, so they initially heal imbalances at a slower rate
- Nothing is as simple as having "AN" imbalance - more like dozens of them, as in Stephen's thumbs
- The EMC2 office was technically closed for the holidays, but we extend our gratitude to Stephen, Roberta, Evan and Eileen for the work they continued to do in service of all AIM participants.

Here is the update on past frequencies that were revealed and added to the AIM Program last week:

7922, 7932, 7942, 7952 & 7962 We believe have balanced in all those AIM Participants who were clearing them. Regarding the frequencies that have cleared, we clarify: "We cannot say with certainty or accuracy that they have cleared in all, because we cannot check all. Additionally, some heal more slowly because of underlying energetic weakness, such as the frequency of parasites."

REMINDER: Although the frequencies have balanced in those who are positive for them, we may have to allow our physical being to strengthen to notice the positive effects.

Raquel from Georgia

I was just listening to the Everything is Energy show with Stephen Lewis and thought I would send you an e-mail. I make it a point to listen to the radio show every week - probably has a lot to do with becoming empowered. I also participated in the Roberta Hladek conference call you e-mailed about a while back. The call was very informative, especially the tip about the Goal Cards. I was using the cards on occasion before, but now I use them a lot more often.

I am clearing imbalances left and right. Coincidentally the pain from the so-called Plantar Fasciitis I was diagnosed with is gone. For the past several months I was clearing an imbalance that was manifesting in my hip joint. I am grateful that I resolved that imbalance because it was really kicking me. LOL! Now having cleared

it I feel as if I have been nudged forward; thus, able to step through life with greater ease. I also feel that I am more forgiving – free to be who I am while allowing others to be who they are. I am very grateful for this program and for the continual improvement of my well-being.
