## Newly Revealed Hereditary Frequency Update As of March 6, 2014

**This week there were three new Hereditary frequencies revealed to us.**

The first new Hereditary frequency 8012 was revealed to us and added to the AIM Program on March 4, 2014. This frequency is believed to function within the energetic orbs of the Skin, Mouth, Lungs, Respiratory System and Brain. It may manifest itself through the unresolved emotional etiologic frequency of: Embitteredness. At this time we are not sure how common this will be among AIM Participants.

The second new Hereditary frequency 8022 was revealed to us and added to the AIM Program on March 4, 2014. This frequency is believed to function within the energetic orbs of the Skin, Lungs, Respiratory System, Muscles, Joints and Heart. It may manifest itself through the unresolved emotional etiologic frequency of: Unhappiness. At this time we are not sure how common this will be among AIM Participants.

The third new Hereditary frequency 8032 was revealed to us and added to the AIM Program on March 5, 2014. This frequency is believed to function within the energetic orbs of the Skin, Lungs, Respiratory System, Muscles, Joints, Low Back and Hip Joints. It may manifest itself through the unresolved emotional etiologic

frequency of: Irritability. At this time we are not sure how common this will be among AIM Participants.

**Here is the update on past frequencies that were revealed and added to the AIM Program last week:**

8041 & 8051 We believe will balance in all those AIM Participants who are clearing them by the end of this weekend.

Regarding the frequencies that have cleared, we clarify: "We cannot say with certainty or accuracy that they have cleared in all, because we cannot check all. Additionally, some heal more slowly because of underlying energetic weakness, such as the frequency of parasites."

**REMINDER:** Although the frequencies have balanced in those who are positive for them, we may have to allow our physical being to strengthen to notice the positive effects.

### Judy from Minnesota

I have been on The AIM Program for 5 years. I started AIM originally because of a medical diagnosis that I received, but I have come to value it for something much bigger. Every year brings additional reasons to renew as the self-healing continues on deeper levels. I have been able to experience levels of joy that I previously didn't even know existed! My intuition has become clearer and my connection to self is stronger. Today, I am more healthy, happy and whole than I have ever been.

My cat has been able to heal herself also. She used to run away and hide whenever anyone came over. Now she greets people at the door and loves to receive attention from everyone.

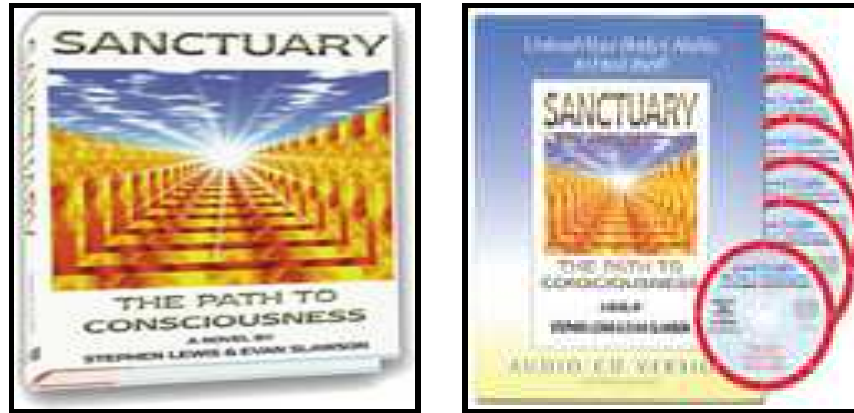

I feel very grateful to have found this and I continue to be excited about it because I believe the potential for self-healing is unlimited. I will continue to renew. Thank you!
