## Events

### ***Everything is Energy Show Topics for Episode #427 03/20/14:***

- Details of newly revealed Hereditary imbalances added to the AIM database.
- If you have an energetic imbalance in your consciousness, either it has manifested or it will manifest unless you heal it. Once you heal it, it is gone forever.
- No two people who have a given imbalance experience either the presence or healing of it in the same way - everyone is unique.
- Participants on AIM "long enough", with high life forces, seem to heal whatever newly revealed frequencies they may have very rapidly, depending on how significant the frequencies are in the individual.
- Discussion of a new frequency includes what it is similar to, in the order of dominance, in the person in whom the frequency was revealed. The same is true of the "Unresolved Emotional Etiologic Frequency" shown in the EMC<sup>2</sup> weekly newsletters.
- The AIM Program helps us heal imbalances in consciousness. The presence of an imbalance in consciousness is NOT a statement of the presence of a disease.

Reminder: A great resource for concepts we discuss and terms we use, such as "long enough", is the AIM Q&A + Glossary, available on your Facilitator's web site, and on [www.aimprogram.com](http://www.aimprogram.com).

## Newly Revealed Hereditary Frequency Update As of March 20, 2014

**This week there were five new Hereditary frequencies revealed to us.**

The first new Hereditary frequency 8033 was revealed to us and added to the AIM Program on March 12, 2014. This frequency is believed to function within the energetic orbs of the Bladder, Urinary Tract, Kidneys, Muscles,

Joints, Lungs and Respiratory System. It may manifest itself through the unresolved emotional etiologic frequency of: Doubt.

The second new Hereditary frequency 8043 was revealed to us and added to the AIM Program on March 13, 2014. This frequency is believed to function within the energetic orbs of the Skin, Muscles, Joints, Low Back, Hip Joints and Heart. It may manifest itself through the unresolved emotional etiologic frequency of: Hostility.

The third new Hereditary frequency 8053 was revealed to us and added to the AIM Program on March 18, 2014. This frequency is believed to function within the energetic orbs of the Lungs, Respiratory System, Muscles, Joints and Heart. It may manifest itself through the unresolved emotional etiologic frequency of: Pain Behind Cheerfulness.

The fourth new Hereditary frequency 8063 was revealed to us and added to the AIM Program on March 18, 2014. This frequency is believed to function within the energetic orbs of the Skin, Muscles, Joints, Lungs and Respiratory System. It may manifest itself through the unresolved emotional etiologic frequency of: Jealousy.

The fifth new Hereditary frequency 8014 was revealed to us and added to the AIM Program on March 19, 2014. This frequency is believed to function within the energetic orbs of the Circulation, Bladder, Kidneys, Urinary Tract, Brain, Skin and Muscles. It may manifest itself through the unresolved emotional etiologic frequency of: Dissatisfaction.

**Here is the update on past frequencies that were revealed and added to the AIM Program last week:**

8042, 8052, 8062, 8013 & 8023 We believe have balanced in all those AIM Participants who were clearing them.

Regarding the frequencies that have cleared, we clarify: "We cannot say with certainty or accuracy that they have cleared in all, because we cannot check all. Additionally, some heal more slowly because of underlying energetic weakness, such as the frequency of parasites."

**REMINDER:** Although the frequencies have balanced in those who are positive for them, we may have to allow our physical being to strengthen to notice the positive effects.

### **Raquel from Georgia**

I was just listening to the Everything is Energy show with Stephen Lewis and thought I would send you an e-mail. I make it a point to listen to the radio show every week - probably has a lot to do with becoming empowered. I also participated in the Roberta Hladek conference call you e-mailed about a while back. The call was very informative, especially the tip about the Goal Cards. I was using the cards on occasion before, but now I use them a lot more often.

I am clearing imbalances left and right. Coincidentally the pain from the so-called Plantar Fascitis I was diagnosed with is gone. For the past several months I was clearing an imbalance that was manifesting in my hip joint. I am grateful that I resolved that imbalance because it was really kicking me. LOL! Now having cleared it I feel as if I have been nudged forward; thus, able to step through life with greater ease. I also feel that I am more forgiving – free to be who I am while allowing others to be who they are. I am very grateful for this program and for the continual improvement of my well-being.
