Everything is Energy Show Topics for Episode #432 04/24/14:

- Stephen may now be Hereditary-imbalance-free, though is still feeling effects of the last frequency he healed. Will know more next week.
- Details of newly revealed Hereditary imbalances added to the AIM database.
- Are likely many negative hereditary potentials in your family history that you weren't aware of.
- What happens when you have no remaining weaknesses? This is a whole new frontier.
- People in their first year on AIM move through way more imbalances than was the case even a few years ago, let alone 15.
- Question about Ebola/new strain? Stephen stays current on things like this, isn't sure there's anything "new", but will know when he has a "sample". Still gets down to what you don't overcome because of underlying weaknesses.
- We are fully in charge when we are better able to direct our energy - reference page 128 in Sanctuary: "...As we remove negative frequencies from our energetic field, we become more and more able to express our lives fully and completely. This means different things to different people, of course..."

Newly Revealed Hereditary Frequency Update As of April 24, 2014

This week there were two new Hereditary frequencies revealed to us.

The first new Hereditary frequency 8056 was revealed to us and added to the AIM Program on April 17, 2014. This frequency is believed to function within the energetic orbs of the Muscles, Joints and Digestive Tract. It may manifest itself through the unresolved emotional etiologic frequency of: Hostility.

The second new Hereditary frequency 8066 was revealed to us and added to the AIM Program on April 21, 2014. This frequency is believed to function within the energetic orbs of the Heart, Muscles, Joints, Lungs and Respiratory System.

It may manifest itself through the unresolved emotional etiologic frequency of: Guilt.

Here is the update on past frequencies that were revealed and added to the AIM Program last week:

8026 & 8036 We believe have balanced in all those AIM Participants who were clearing them.

8046 We believe will balance in all those AIM Participants who are clearing it by the end of this weekend.

Regarding the frequencies that have cleared, we clarify: "We cannot say with certainty or accuracy that they have cleared in all, because we cannot check all. Additionally, some heal more slowly because of underlying energetic weakness, such as the frequency of parasites."

REMINDER: Although the frequencies have balanced in those who are positive for them, we may have to allow our physical being to strengthen to notice the positive effects.

For more information on the latest frequencies you can listen to the Everything is Energy Show every Thursday morning from 9-10 AM (Pacific). (See the listing in [Events](#).)

Renee from Texas

"Well I have three lovely cats, all black. And one of them in particular, I seem to be allergic to his dander...and I'm very affectionate so I'll love and kiss on my cats a lot, and more often than not I will develop a red rash pretty distinctive around my mouth, and splotch out, and then I will also have a reaction with my sinuses, where there would be an instantaneous clogging and drainage. And with The AIM Program...that's all gone away. So I would recommend The AIM Program to everybody and anything, and if I was rich and a Philanthropist, I would purchase The AIM Program for everybody."
