## Events

### ***Everything is Energy Show Topics for Episode #433 05/01/14:***

- Stephen still shows to be Hereditary imbalance-free; strong, lingering effects of the final release of frequencies are nearly gone in him as well.
- No newly revealed Hereditary imbalances.
- "Revolution in consciousness" - discussed in Sanctuary and continues today.
- Even cats and dogs respond on AIM; we all have an innate knowing, even if we can't verbalize things.
- From page 126 in Sanctuary: "...I do not detect disease. I detect disturbances in the subtle-energy field that is your basic essence...I don't do surgery. I don't use antibiotics. I don't do anything medical or recommend anything medical. That isn't my area of expertise..."
- Quote on fear, and the enhancing frequency article "Replace Fear with Courage" (available on all EMC2 web sites). From the article: "... Fear is so powerful that it can prevent a person who has the capacity to heal from doing so..."
- "Resistance" versus saying "Yes!" to life and connection.
- Why do some people seek higher consciousness, while others don't? Some who did not seek it years ago seek it now - what shifted? Always more questions and more to be revealed.
- For those new to AIM, likely takes a year to self-heal all of their Hereditary imbalances.

## Newly Revealed Hereditary Frequency Update As of May 01, 2014

**This week there were NO new Hereditary frequencies revealed to us.**

Nothing new to report! Is this the bottom of the barrel?

**Here is the update on past frequencies that were revealed and added to the AIM Program last week:**

8056 & 8066 We believe will balance in all those AIM Participants who are clearing them by the end of this

weekend.

Regarding the frequencies that have cleared, we clarify: "We cannot say with certainty or accuracy that they have cleared in all, because we cannot check all. Additionally, some heal more slowly because of underlying energetic weakness, such as the frequency of parasites."

**REMINDER:** Although the frequencies have balanced in those who are positive for them, we may have to allow our physical being to strengthen to notice the positive effects.

*For more information on the latest frequencies you can listen to the Everything is Energy Show every Thursday morning from 9-10 AM (Pacific). (See the listing in [Events](#).)*

### **Tonya from Utah**

I am so thankful for The AIM Program!

The members of my family were reluctant but agreed to participate in The AIM Program - they never really "believed" or even thought much about it once they were signed up. It has been one and a half years for me and just less than 6 months for the rest of the family.

I don't recall noticing much detoxing from any of my family members but I notice a huge difference now. I have never had as much love and harmony in my family as we now have. Previously both my teenagers were frequently depressed, my husband and son both had some very serious anger and emotional control issues and there was much arguing and discord.

So much has changed! There is so much peace and harmony, my kids are no longer depressed, my son is willing to help, do what he is asked and he and my husband's anger issues seem to have disappeared!! I am absolutely amazed.

The only thing I can attribute this to is The AIM Program. Thank you EMC<sup>2</sup> so much for introducing me to The AIM Program!
