Everything is Energy Show Topics for Episode #434 05/08/14:

- Fun way to introduce AIM: the two-part article, Deconstructing/Reconstructing Humpty Dumpty (on all EMC2 web sites).
- Stephen is still Hereditary imbalance-free, but a recent spider bite impacted him the most where he was still feeling some healing effects.
- How masterful imbalances are at "hiding".
- Feeling increasingly better and stronger than ever once we've healed all of our Hereditary imbalances.
- How energetic balancing helps us bounce back after surgery and/or emotional trauma - Reference Sanctuary pages 162-164 "Everyone I have ever tested after surgery has manifested negative frequencies that are normally not found. This is not an argument against surgery, If you need it, or you want it, you should have it. But I believe that there's clearly a need for energetic balancing until you have healed, both physically and etherically..."
- Self-healing happens on AIM whether you believe in AIM or not, but utilization of enhancing frequencies is completely volitional. These frequencies play a part in healing from surgery, too.
- Truly amazing to experience a vastly increased capacity to more fully utilize AIM's enhancing frequencies!

Newly Revealed Hereditary Frequency Update As of May 08, 2014

This week there was only one new Hereditary frequency revealed to us.

The new Hereditary frequency 8017 was revealed to us and added to the AIM Program on May 7, 2014. This frequency is believed to function within the energetic orbs of the Skin, Nails, Lungs, Respiratory System, Kidneys, Bladder and Urinary Tract.

It may manifest itself through the unresolved emotional etiologic frequency of: Over Agressiveness.

Here is the update on past frequencies that were revealed and added to the AIM Program last week:

8056 & 8066 We believe have balanced in all those AIM Participants who were clearing them.

Regarding the frequencies that have cleared, we clarify: "We cannot say with certainty or accuracy that they have cleared in all, because we cannot check all. Additionally, some heal more slowly because of underlying energetic weakness, such as the frequency of parasites."

REMINDER: Although the frequencies have balanced in those who are positive for them, we may have to allow our physical being to strengthen to notice the positive effects.

For more information on the latest frequencies you can listen to the Everything is Energy Show every Thursday morning from 9-10 AM (Pacific). (See the listing in [Events](#).)

Marnie from California

Having been on AIM since 2006, and having experienced signs of healing or detox along the way, I was at first surprised by my visit to an ER, followed by a Feb 2010 diagnosis of a serious condition that required stomach surgery. Then I realized that what had manifested physically didn't just happen overnight, and that there are things of a structural nature that can require medical assistance. I realized that as I had created all things, I had the responsibility to heal all things, and that perhaps this had surfaced now because I was now capable of not only seeing myself through this ordeal, but conquering it with a zest and rebound capacity I wasn't capable of until now.

I breezed through major surgery, as I expected I would and felt an even greater capacity to fully utilize the enhancing frequencies on AIM. This may have been magnified by listening, daily, to EMC²'s AIM meditation,

gifted to us in March, which helped me visualize all these balancing energies entering my power center. This was a source of major empowerment for me.

While many are amazed that I have surpassed all expectations that are given for the challenge I had, I am not in the least. I remain forever grateful to EMC² and my Facilitator not just for The AIM Program but for all the additional support and resources they provide. I sometimes wonder how many other "seniors" like me actually can say they feel "jazzed"!!
