Everything is Energy Show Topics for Episode #436 05/22/14:

- Newly revealed Hereditary imbalances added to the AIM database.
- Founder of homeopathy, Samuel Hahnemann, had no computer yet knew how common certain things were, things that are in alignment with what Stephen sees energetically.
- As we discuss what frequencies are similar to, remember that no two people experience them or the healing of them in the same way.
- Important observation: Healing yourself means not being a victim.
- People just starting on AIM heal at a slower rate at first, and have a "bigger menu" of balancing energies from which to choose.
- Pages 142-143 in Sanctuary (pre-AIM): looking at "what's right", beginnings of enhancing frequencies.
- Things can be masked from someone who is looking at you from the outside, but they are not masked from you. With AIM, you are looking at you from the inside - you are the only one who can do that.

Newly Revealed Hereditary Frequency Update

As of May 22, 2014

This week there were three new Hereditary frequencies revealed to us.

The first new Hereditary frequency 8067 was revealed to us and added to the AIM Program on May 19, 2014. This frequency is believed to function within the energetic orbs of the Lungs, Respiratory System and Lymph Glands.

It may manifest itself through the unresolved emotional etiologic frequency of: Mistrustfulness.

The second new Hereditary frequency 8018 was revealed to us and added to the AIM Program on May 19, 2014. This frequency is believed to function within the energetic orbs of the Muscles, Joints, Heart, Digestive Tract, Spine and Brain.

It may manifest itself through the unresolved emotional etiologic frequencies of: Fixations.

The third new Hereditary frequency 8028 was revealed to us and added to the AIM Program on May 21, 2014. This frequency is believed to function within the energetic orbs of the Muscles, Joints, Lungs, Respiratory System, Central Nervous System, Bloodstream, Circulation, Sinuses and Nose.

It may manifest itself through the unresolved emotional etiologic frequencies of: Indecision.

Here is the update on past frequencies that were revealed and added to the AIM Program last week:

8027, 8037, 8047 & 8057 We believe have balanced in all those AIM Participants who were clearing them.

Regarding the frequencies that have cleared, we clarify: "We cannot say with certainty or accuracy that they have cleared in all, because we cannot check all. Additionally, some heal more slowly because of underlying energetic weakness, such as the frequency of parasites."

REMINDER: Although the frequencies have balanced in those who are positive for them, we may have to allow our physical being to strengthen to notice the positive effects.

Jason from Nevada

For the past seven years of my life I have had agonizing back pain. It got to the point to where I couldn't even work I was walking around like a cripple, I mean really bad. Sometimes I had shooting pains down both legs, and it was just really horrible. I tried everything to get rid of it; Doctor's, herbal care, exercises, stretches, and it never went away. I got on The AIM Program, and two weeks later it was completely gone. I feel no pain whatsoever, it's made me a harder worker; I can work all day long without having to lay down. I can't explain it

but I don't hurt, I can run, I can jump, now I'm looking forward to playing all the sports I used to play, I can bowl 20-30 games a night again. Everything feels really great. I don't know how it works but I love it, I believe in it. I'm one of those people that has to see something that works in order to believe in it, and I believe in it.
