## Events

### ***Everything is Energy Show Topics for Episode #438 06/05/14:***

- We stress that EMC2 does not diagnose, treat, prevent or cure disease. We help people heal whatever energetic imbalances they have. Having a frequency is not the same as having a disease.
- Newly revealed Hereditary imbalances added to the AIM database.
- Stephen and many others again showing to be imbalance-free, hoping this holds true.
- Residual/structural damage from having had imbalances can remain, may even require medical attention. We are not anti-medicine.
- Message from Neale Donald Walsch on "How much good can you accept?", which is dependent on how worthy you believe you are. Are many enhancing energies on AIM to help you address self-acceptance and worthiness.
- Many enhancing frequencies were created in response to a particular participant issue. Stephen to look up the history behind the frequency to increase the "ability to shed past fixations" for next week.
- Useful resources: Your Facilitator and their website

**Newly Revealed Hereditary Frequency Update  
As of June 05, 2014**

## **This week there were two new Hereditary frequencies revealed to us.**

The first new Hereditary frequency 8121 was revealed to us and added to the AIM Program on June 2, 2014. This frequency is believed to function within the energetic orbs of the Lymph Glands, Throat, Pharynx, Muscles, Joints and Heart.

It may manifest itself through the unresolved emotional etiologic frequency of: Impatience.

The second new Hereditary frequency 8131 was revealed to us and added to the AIM Program on June 2, 2014. This frequency is believed to function within the energetic orbs of the Lymph Glands, Lungs, Respiratory System, Bloodstream and Circulatory System.

It may manifest itself through the unresolved emotional etiologic frequencies of: Self Consciousness.

## **Here is the update on past frequencies that were revealed and added to the AIM Program last week:**

8038 & 8048 We believe has balanced in all those AIM Participants who were clearing them.

8058 & 8111 We believe will balance in all those AIM Participants who are clearing them by the end of this weekend.

Regarding the frequencies that have cleared, we clarify: "We cannot say with certainty or accuracy that they have cleared in all, because we cannot check all. Additionally, some heal more slowly because of underlying energetic weakness, such as the frequency of parasites."

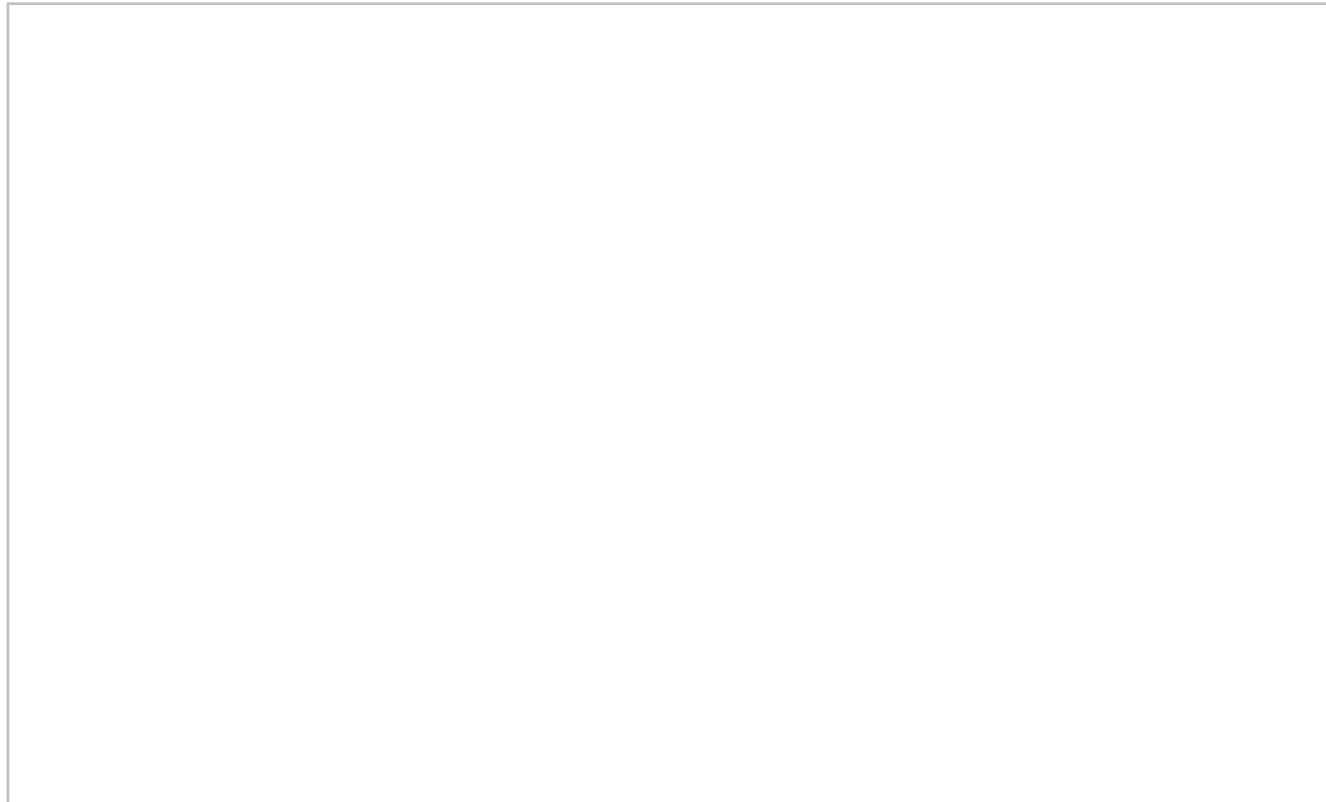

**REMINDER:** Although the frequencies have balanced in those who are positive for them, we may have to allow our physical being to strengthen to notice the positive effects.

*For more information on the latest frequencies you can listen to the Everything is Energy Show every Thursday morning from 9-10 AM (Pacific). (See the listing in [Events](#).)*

### Kathy from California

After twenty-two years of vertigo, hearing loss and dizziness, I started energetic balancing through The AIM Program. I had been tested for every possible ear malady, had exploratory surgery, and was finally told, I would have to learn to live with it. After starting The AIM Program, in three weeks my vertigo flared up quite severely one final time, then disappeared completely. I attribute the absence of vertigo and dizziness to the energetic balancing of a frequency that had been out of balance for many years. I have not had another attack since that day. It is my belief that The AIM Program helped me heal myself of the vertigo and dizziness.
