Everything is Energy Show Topics for Episode #439 06/12/14:

- Newly revealed Hereditary imbalances added to the AIM database.
- Discussion of "volitional" frequencies, specifically several related to helping us "shed past fixations", such as replacing anger with forgiveness.
- It's not the event that happened but the meaning and power we give it, and then, how we filter everything through that associated negativity.
- Two related references in Sanctuary: pages 89 and 133.
- We always have choices; choosing to strive for greater consciousness means knowing there will be some discomfort along the way and choosing to do so anyway.

Newly Revealed Hereditary Frequency Update As of June 12, 2014

This week there were four new Hereditary frequencies revealed to us.

The first new Hereditary frequency 8141 was revealed to us and added to the AIM Program on June 5, 2014. This frequency is believed to function within the energetic orbs of the Brain, Lungs, Respiratory System, Muscles, Joints and Digestive Tract. It may manifest itself through the unresolved emotional etiologic frequency of: Dissatisfaction.

The second new Hereditary frequency 8151 was revealed to us and added to the AIM Program on June 9, 2014. This frequency is believed to function within the energetic orbs of the Heart, Muscles, Joints, Lungs and Respiratory System. It may manifest itself through the unresolved emotional etiologic frequencies of: Over Agressiveness.

The third new Hereditary frequency 8161 was revealed to us and added to the AIM Program on June 9, 2014. This frequency is believed to function within the energetic orbs of the Spleen, Colon, Lungs, Respiratory System, Urinary Tract and Kidneys. It may manifest itself through the unresolved emotional etiologic frequency of: Tenseness.

The fourth new Hereditary frequency 8112 was revealed to us and added to the AIM Program on June 10, 2014. This frequency is believed to function within the energetic orbs of the Spine, Brain, Neck, Throat and Lymph Glands. It may manifest itself through the unresolved emotional etiologic frequency of: Impatience.

Here is the update on past frequencies that were revealed and added to the AIM Program last week:

8121 & 8131 We believe have balanced in all those AIM Participants who were clearing them.

8161 We believe will balance in all those AIM Participants who are clearing it by the end of this weekend.

Regarding the frequencies that have cleared, we clarify: "We cannot say with certainty or accuracy that they have cleared in all, because we cannot check all. Additionally, some heal more slowly because of underlying energetic weakness, such as the frequency of parasites."

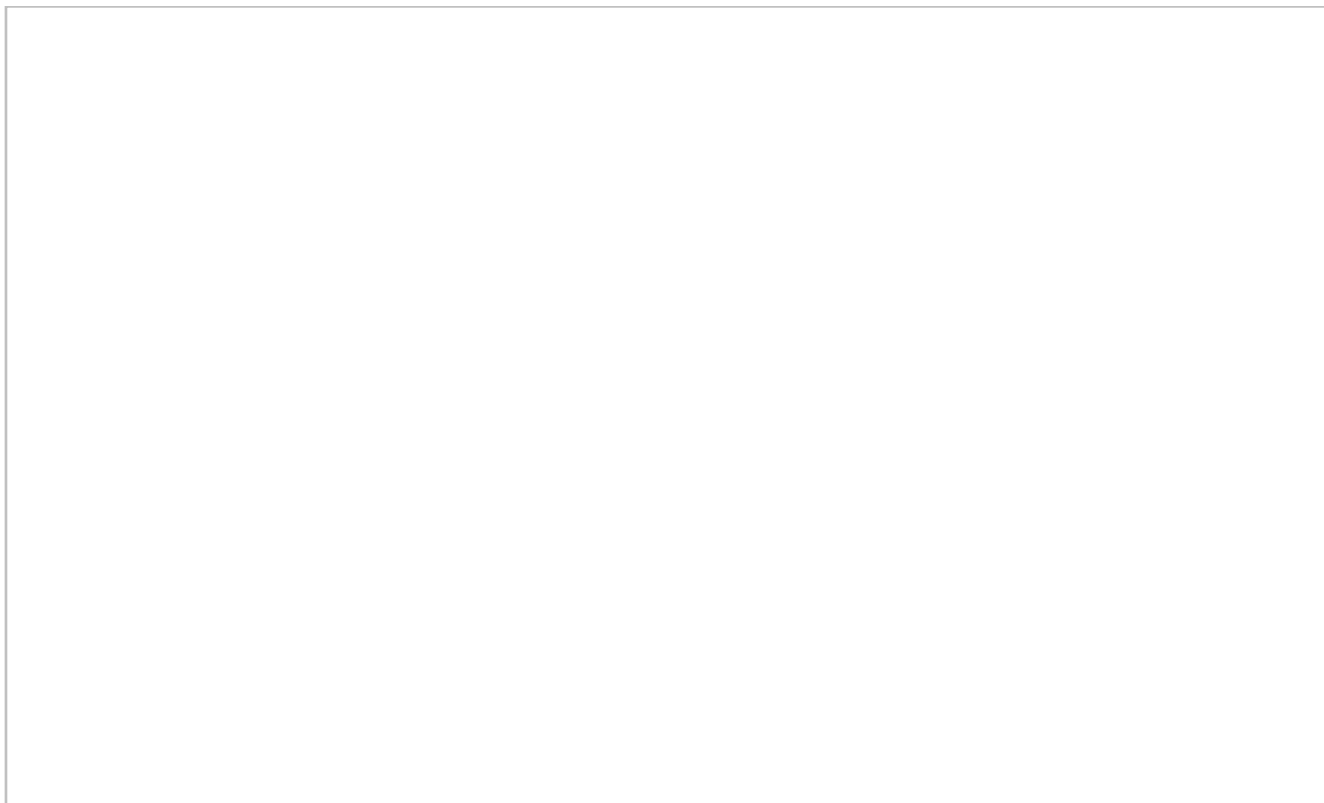

REMINDER: Although the frequencies have balanced in those who are positive for them, we may have to allow our physical being to strengthen to notice the positive effects.

Mikhail from Hawaii

I want to tell you about what I call the "big miracle" in my family since we began self-healing with the Sacrament of Energetic Balancing through The AIM Program. Let me start from the beginning.

My first girl (now she is 5 years old) was a healthy little baby when she was born, but after her first vaccination she suddenly got bad eczema. Then it got worse after the next shot at 4 months and by the 6 month shot she was covered with a rash. The pediatrician and my husband pushed me to do the next shots, and from then on my baby never slept longer than 1 hour straight, scratching, crying...

At 12 months she started walking and she was talking well for her age, but after her MMR shot - she stopped talking. She also demonstrated what I interpreted as symptoms of autism. I was very scared. After not getting any support from doctors I started researching on the Internet. I started feeding her only organic food, chelation therapy, supplements, homeopathic medicine, acupuncture - you name it. We tried everything. She got a little bit better, but still the eczema and autistic symptoms were obvious.

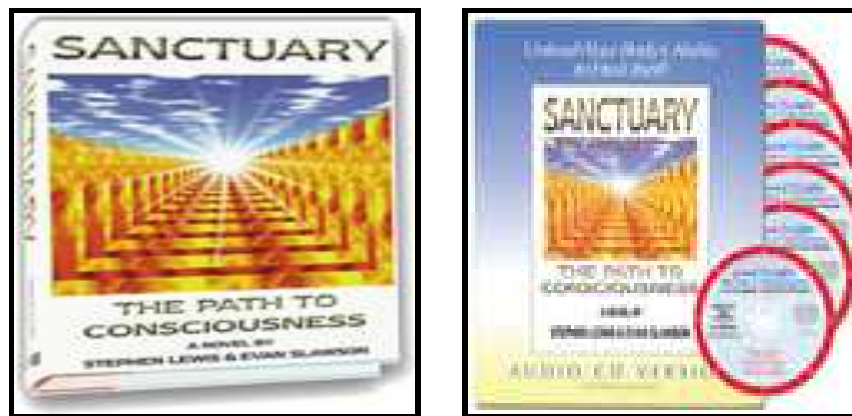

My second daughter (she is 3 now) never had health problems, but my third daughter got eczema. I was really scared. I worried she was going to be just like her oldest sister. I was depressed and hopeless, after testing everything and spending a fortune every month for supplements. Just in time I found EMC². To be honest I was a little bit skeptical, but at that point I was willing to try everything, so I did.

I had all three daughters join The AIM Program. At first all 3 kids got the flu, which lasted a little bit longer than usual. Then the eczema of my oldest and youngest daughters got worse, and even second daughter, who before never had eczema, got a little rash. I was patiently waiting. Then the eczema got better and better and was finally gone completely. At first I could not believe it - I thought it was going come back. I waited 1 month, 2 months, and until now no symptoms at all! I tried to give them milk, eggs, bread, chocolate, and other foods they had never eaten before, and still no eczema. It was amazing! For the first time my five year old is sleeping through the night, and many of her perceived autistic symptoms are gone. My children finally can eat ice cream and other foods all kids like. We are still eating healthy, all natural food, but I have so much to choose from and we are not limited like before. This is very exciting - we are still only a few months on The AIM Program. I can only imagine what is going happen in a few months from now!

Thank you so much! I hope more moms like me will find EMC².
