## Newly Revealed Hereditary Frequency Update As of July 02, 2014

**This week there were three new Hereditary frequencies revealed to us.**

The first new Hereditary frequency 8133 was revealed to us and added to the AIM Program on June 30, 2014. This frequency is believed to function within the energetic orbs of the Lungs, Respiratory System, Heart, Throat, Sinuses, Muscles and Joints.

It may manifest itself through the unresolved emotional etiologic frequency of: Dissatisfaction.

The second new Hereditary frequency 8143 was revealed to us and added to the AIM Program on June 30, 2014. This frequency is believed to function within the energetic orbs of the Lymph Glands, Low Back, Hip Joints, Skin, Muscles, Joints, Spine and Brain.

It may manifest itself through the unresolved emotional etiologic frequencies of: Irritability.

The third new Hereditary frequency 8153 was revealed to us and added to the AIM Program on July 1, 2014. This frequency is believed to function within the energetic orbs of the Muscles, Joints, Circulatory System and Bloodstream.

It may manifest itself through the unresolved emotional etiologic frequencies of: Jealousy.

**Here is the update on past frequencies that were revealed and added to the AIM Program last week:**

8142, 8152, 8162 & 8113 We believe have balanced in all those AIM Participants who were clearing them.

8123 We believe will balance in all those AIM Participants who are clearing it by the end of this weekend.

Regarding the frequencies that have cleared, we clarify: "We cannot say with certainty or accuracy that they have cleared in all, because we cannot check all. Additionally, some heal more slowly because of underlying energetic weakness, such as the frequency of parasites."

**REMINDER:** Although the frequencies have balanced in those who are positive for them, we may have to allow our physical being to strengthen to notice the positive effects.

### Christine from Wisconsin

After reading Sanctuary: The Path to Consciousness I was hooked. I emptied all the piggy banks in the house to pay for the first year.

I have now participated in The AIM program for just over a year and I have made breakthroughs in emotional healing that have gone far beyond my wildest dreams. I have spent years struggling with the after effects of sexual and ritual abuse in my childhood. The major roadblock to my healing had always been my resistance to releasing the emotional and physical trauma. Even though I wanted desperately to clear the past I unconsciously blocked my own healing. The AIM Program has eliminated the resistance and I can feel the shell I encased myself in, crumbling and falling away.

As my resistance decreased all the help in self-healing I had ever asked for arrived at my door. In the last month I have made great strides in healing the past and I can now feel all this lovely energy flowing into me, healing my heart and regenerating my body.

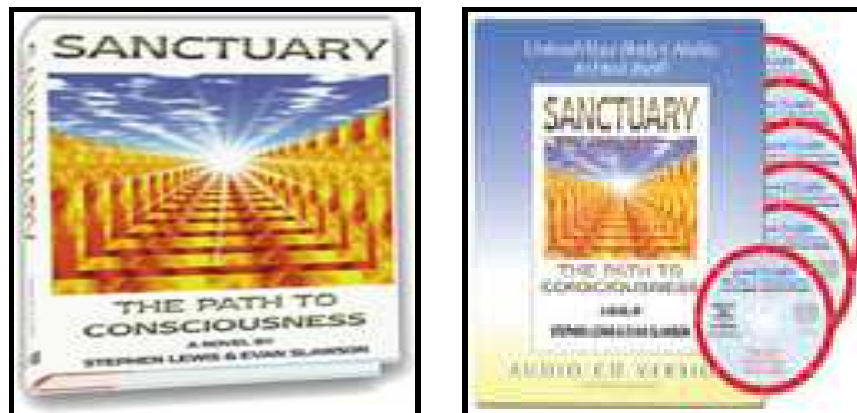

The level of joy that I feel has increased dramatically and I know that with The AIM Program I can look forward to even greater happiness and good health in the years to come.

I am so very appreciative to Stephen Lewis and his wonderful staff for making this program available to the world.
