Events

Everything is Energy Show Topics for Episode #443 07/17/2014:

- Was 2-21/2 years ago when a few participants first showed no remaining imbalances. Now, Stephen believes most participants (on AIM long enough) have reached or will reach that point by this weekend. He cleared his apparent last imbalance this morning, and he always thought he'd be last.
- Many who showed nothing present as of today were previously detoxing imbalances revealed and added to AIM in the last month to six weeks.
- Constantly expanding testing methods to avoid being fooled; he'll be checking more people and update us next week.
- Newly revealed Hereditary imbalance added to the AIM database.
- Discussed many, many things that frequencies can be similar to that can have impact in the orb of the skin.
- Do we tap in to "anti-aging" frequencies in the AIM database even in our first year? It's a matter of degree - first you focus on healing imbalances that have the highest negative potential in you.
- How will we know we have self-healed all of our imbalances? Could be noticeable for some, less so for others; could be felt physically, emotionally, mentally and/or spiritually - very much an individual thing.
- Will being imbalance-free make it easier to release a bad habit, or acquire a good one? Perhaps, yet many have accomplished things, like quitting smoking, years ago because they finally had zero desire to smoke after they healed something(s).
- Looking forward to more research on enhancing frequencies, consciousness and longevity.

Newly Revealed Hereditary Frequency Update As of July 17, 2014

This week we had only one new Hereditary frequency revealed to us.

The first new Hereditary frequency 8164 was revealed to us and added to the AIM Program on July 14, 2014. This frequency is believed to function within the energetic orbs of the Respiratory System, Lungs, Heart, Throat, Sinuses, Muscles and Joints.

It may manifest itself through the unresolved emotional etiologic frequency of: Insecurity.

Here is the update on past frequencies that were revealed and added to the AIM Program last week:

8163, 8114, 8124, 8134 & 8144 We believe have balanced in all those AIM Participants who were clearing them.
8154 We believe will balance in all those AIM Participants who are clearing it by the end of this weekend.

Regarding the frequencies that have cleared, we clarify: "We cannot say with certainty or accuracy that they have cleared in all, because we cannot check all. Additionally, some heal more slowly because of underlying energetic weakness, such as the frequency of parasites."

REMINDER: Although the frequencies have balanced in those who are positive for them, we may have to allow our physical being to strengthen to notice the positive effects.

[Click here for a more-detailed explanation of the Newly Revealed Hereditary Frequency Update](#)

For more information on the latest frequencies you can listen to the *Everything is Energy Show* every Thursday morning from 9-10 AM (Pacific). (See the listing in [Events](#).)

Colleen from Florida

Last week I went for my yearly eye exam. The eye doctor was amazed at my new prescription. He said, "This is the second year that your eyes have improved and that is very rare. In cases with your high prescription, it is rare for the eyes to improve and for two years in a row, that is very good.

I just smiled knowing it was my own self-healing on AIM. I have been on The AIM Program for over 5 years now and see my life changing for the better each year. My husband and I marvel at how great we feel, how much energy we have and how happy we are each day. We each have commented about how grateful we are for

everything and we notice how grateful we feel each day. Our lives are so blessed. No more drama in our lives. We are much more even in emotions and less negative things happen in our daily lives than before. We are attracting so much more good into our lives with The AIM Program!
