Everything is Energy Show Topics for Episode #444 07/24/2014:

- Referenced the article Deconstructing/Reconstructing Humpty Dumpty and the Prologue in Sanctuary in discussing imbalances and the purpose of AIM.
- How many participants can AIM accommodate? Unlimited expansion capabilities.
- Everyone at EMC2 is committed to getting new applicants on ASAP - grateful to and for you!
- Newly revealed Hereditary imbalances added to the AIM database.
- Discussed the terms "rickettsial" and "gone".
- If you acquire something, say from a bug bite, can take something for it. For anything hereditary, it's part of you, so you have to change you, ie heal yourself, which you can do easily and effectively on AIM.
- Discussed hormones/thyroid issues from energetic standpoint; as with all things, causal imbalances vary person to person - in location, severity, number and impact.

The fifth new Hereditary frequency 8155 was revealed to us and added to the AIM Program on July 24, 2014. This frequency is believed to function within the energetic orbs of the Heart, Muscles, Joints, Spine, Brain, Bladder and Urinary Tract.

It may manifest itself through the unresolved emotional etiologic frequency of: Withdrawal.

Here is the update on past frequencies that were revealed and added to the AIM Program last week:

8164 We believe has balanced in all those AIM Participants who were clearing it.

Regarding the frequencies that have cleared, we clarify: "We cannot say with certainty or accuracy that they have cleared in all, because we cannot check all. Additionally, some heal more slowly because of underlying energetic weakness, such as the frequency of parasites."

REMINDER: Although the frequencies have balanced in those who are positive for them, we may have to allow our physical being to strengthen to notice the positive effects.

For more information on the latest frequencies you can listen to the Everything is Energy Show every Thursday morning from 9-10 AM (Pacific). (See the listing in [Events](#).)

Jackie from South Dakota

I just wanted to pass something on to you that I think is a result of my self-healing through The AIM Energetic Balancing Program. I have a family history of high cholesterol, and in December 2003, my total cholesterol was 222, with LDL (bad cholesterol) of 133 (which is quite high). After being on The AIM Energetic Balancing Program for 2 years, my total cholesterol is now 171, with LDL of only 98. My triglycerides have dropped to 60 since being on the program. So, my total cholesterol has dropped 51 points, and my bad cholesterol has dropped a whopping 35 points!

Now, my family thinks I'm crazy to attribute my ability to self-heal to the AIM energetic balancing Program, but I can honestly say I believe that only the energetic balancing for self-healing through The AIM Program can explain this significant change. Just thought I'd pass on this good news and give a big THANKS to EMC²!
