### ***Everything is Energy Show Topics for Episode #446 08/07/14:***

- Stephen's research on parasite imbalances and often-associated other frequencies continues - still many unanswered questions.
- Newly revealed Hereditary imbalances added to the AIM database + their prevalence and common manifestations as they are healed.
- Value and use of Stephen's "home system".
- Update on Ebola frequency information covered last week: no "unknown" frequency found to date. Whether or not people recover from this, or anything else acquired, depends on their capacity to heal/inherent weaknesses.
- Quote from Neale Donald Walsch on perceiving "one thing after another" versus "Blessing after Blessing".

## Newly Revealed Hereditary Frequency Update As of August 07, 2014

**This week there were three new Hereditary frequencies revealed to us.**

The first new Hereditary frequency 8156 was revealed to us and added to the AIM Program on August 5, 2014. This frequency is believed to function within the energetic orbs of the Skin, Mouth, Urinary Tract, Kidneys and Bladder.

It may manifest itself through the unresolved emotional etiologic frequency of: Judgemental.

The second new Hereditary frequency 8166 was revealed to us and added to the AIM Program on August 5, 2014. This frequency is believed to function within the energetic orbs of the Heart, Muscles, Joints, Throat, Sinuses, Lungs, Respiratory System, Low Back and Hip Joints.

It may manifest itself through the unresolved emotional etiologic frequency of: Intolerance.

The third new Hereditary frequency 8117 was revealed to us and added to the AIM Program on August 5, 2014. This frequency is believed to function within the energetic orbs of the Skin, Muscles, Joints, Spine and Brain. It may manifest itself through the unresolved emotional etiologic frequency of: Depression.

**Here is the update on past frequencies that were revealed and added to the AIM Program last week:**

8116, 8126 & 8136 We believe have balanced in all those AIM Participants who were clearing them.

8146 We believe will balance in all those AIM Participants who are clearing it by the end of this weekend.

Regarding the frequencies that have cleared, we clarify: "We cannot say with certainty or accuracy that they have cleared in all, because we cannot check all. Additionally, some heal more slowly because of underlying energetic weakness, such as the frequency of parasites."

**REMINDER:** Although the frequencies have balanced in those who are positive for them, we may have to allow our physical being to strengthen to notice the positive effects.

"Everything is energy. Everything and everyone has a frequency. Those frequencies that are out of balance with our natural harmony can be identified and removed. I know this to be true. I have seen the AIM Energetic Balance process at work. I practice it daily. My entire family participates in The AIM Program and I have seen wonderful results. This is real, it is transforming, it is true healing, it is a giant step into the inevitable future where each of us is our own personal transcendental and totally enlightened healer. I have found that in my higher self and so can you. It is available now."

Dr. Dyer has written 29 books and has appeared on thousands of television and radio shows. He speaks extensively about The AIM Program in his book and taped lecture series There's A Spiritual Solution to Every Problem.
