Everything is Energy Show Topics for Episode #448 08/21/14:

- Newly revealed Hereditary imbalances added to the AIM database.
- Stephen checks for "known" imbalances and anything possibly still hidden in one's consciousness. If nothing is found at the time of checking, he checks again in several days to a week as frequencies are notorious for masking themselves.
- Stephen's varied background and training, interest in energy and consciousness plus personally having so many imbalances to heal all play a part in his destiny, i.e. the work of EMC2.
- Discussed frequencies and acupuncture concepts relative to the energetic orb of the kidneys and of the skin, and the related emotion of fear.
- Dreams are the release of emotions. As you heal, things come out physically and emotionally.
- You are the one who chooses to heal, or not to heal - and you are the one who heals yourself. When you choose to heal, many things will surround you to help.
- "When you take that bold step to confront fear, you replace fear with courage." And there is an enhancing frequency on AIM to support you in that.

Newly Revealed Hereditary Frequency Update As of August 21, 2014

This week there were three new Hereditary frequencies revealed to us.

The first new Hereditary frequency 8138 was revealed to us and added to the AIM Program on August 18, 2014. This frequency is believed to function within the energetic orbs of the Lungs, Respiratory System, Joints, Muscles, Skin, Bladder and Urinary Tract.

It may manifest itself through the unresolved emotional etiologic frequency of: Irritability.

The second new Hereditary frequency 8148 was revealed to us and added to the AIM Program on August 18, 2014. This frequency is believed to function within the energetic orbs of the Digestive Tract, Lungs, Respiratory System, Muscles, Joints, Spine, Skin, Brain, Throat, Heart and Sinuses.

It may manifest itself through the unresolved emotional etiologic frequency of: Jealousy.

The third new Hereditary frequency 8158 was revealed to us and added to the AIM Program on August 19, 2014. This frequency is believed to function within the energetic orbs of the Low Back, Hip Joints, Lungs and Respiratory System.

It may manifest itself through the unresolved emotional etiologic frequency of: Obstinacy.

Here is the update on past frequencies that were revealed and added to the AIM Program last week:

8127, 8137, 8147, 8157 & 8118 We believe have balanced in all those AIM Participants who were clearing them.
8167 & 8128 We believe will balance in all those AIM Participants who are clearing them by the end of this weekend.

Regarding the frequencies that have cleared, we clarify: "We cannot say with certainty or accuracy that they have cleared in all, because we cannot check all. Additionally, some heal more slowly because of underlying energetic weakness, such as the frequency of parasites."

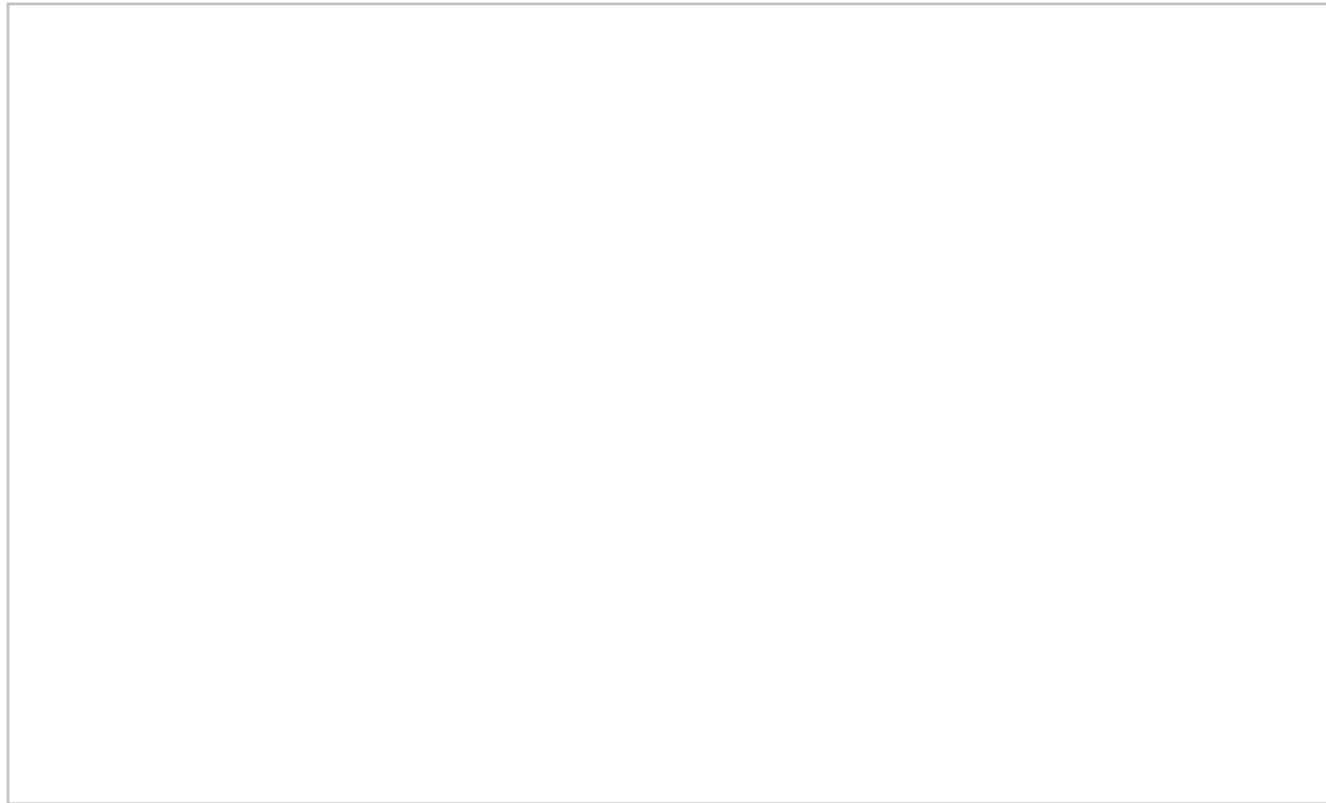

REMINDER: Although the frequencies have balanced in those who are positive for them, we may have to allow our physical being to strengthen to notice the positive effects.

For more information on the latest frequencies you can listen to the Everything is Energy Show every Thursday morning from 9-10 AM (Pacific). (See the listing in [Events](#).)

Troy from Hawaii

Let me turn my testimonial into a story. Years before I was on AIM I had terrible problems like anger, hate, jealousy and lots of negative things. I honestly knew of AIM since 2005. I heard about it from Kevin Trudeau's book "Natural Cures". It took about 7 suicide attempts for me to realize enough is enough, I need some kind of

help.

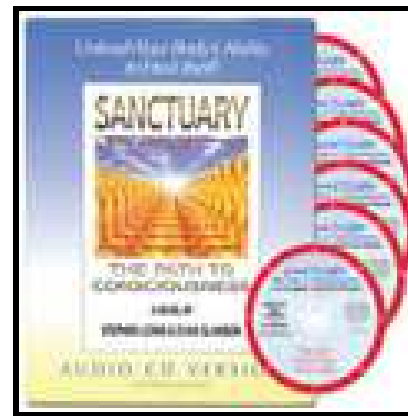

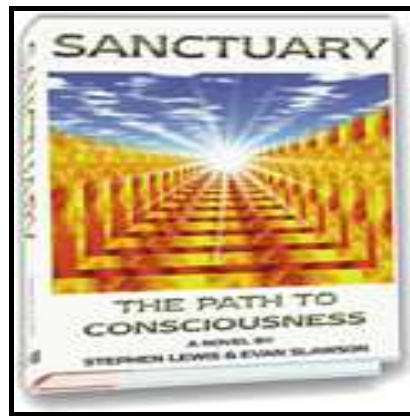

Well, due to lots of reading of law of attraction books I attracted money into my life to the extent I could enroll in AIM program. It's been 3 years since I'm on AIM and many changes - the suicidal thoughts gone, the depression lifted, the anger/ destructive emotions gone. What's more shocking is that my bad habit of smoking and drinking alcohol is gone - I no longer crave them for some reason it's not something I want.

My skin changed from acne prone skin to smooth youthful skin. I'm 23 but people think I'm 15 - LOL! But I know deep down it's all AIM and how it's helped me heal myself. Since being on AIM my health improved and my wealth is slowly improving. Now I look at life as a miracle not a tragedy. If I never made the choice of reading the book I would never know about AIM. But truthfully I believe the law of attraction was working in my life - that's how I believe I was directed to AIM.

So from the bottom of my heart I want to thank Stephen Lewis for making this program as it helped me change from a boy who had nothing to a boy who makes friends easily and communicates with confidence. May this program last a long time to spread love and blessings to the world to touch the youth and give them courage to be leaders of tomorrow.
