Everything is Energy Show Topics for Episode #450 09/04/14

- All discussions of energetic imbalances reference certain frequencies an imbalance may be similar to. A frequency is not the actual disease.
- Newly revealed Hereditary imbalances added to the AIM database.
- Most everyone has or had imbalances that impact the energetic orb of the brain. Stephen explained how the impact varies person to person, and how the brain is fundamentally "many organs".
- Referenced The Road chapter and the 2 chapters on Jane's evaluations in Sanctuary, again, in discussing finding previously unknown imbalances.
- A question sent in on the healing of baldness which prompted a discussion of a number of concepts: uniqueness of each individual; multiple imbalances and other variables, from follicles to stress.
- Energetic orb of the spleen - an important one, although most people have no idea where it is.
- Note of gratitude to Stephen and everyone at EMC2 - speaks for all of us.

Newly Revealed Hereditary Frequency Update As of September 04, 2014

This week there were four new Hereditary frequencies revealed to us.

The first new Hereditary frequency 8251 was revealed to us and added to the AIM Program on September 2, 2014. This frequency is believed to function within the energetic orbs of the Muscles, Joints, Throat, Sinuses, Heart, Circulatory System and Skin causing an Itchy Rash.

It may manifest itself through the unresolved emotional etiologic frequency of: Remorse.

The second new Hereditary frequency 8261 was revealed to us and added to the AIM Program on September 2, 2014. This frequency is believed to function within the energetic orbs of the Lymph Glands, Brain, Muscles, Joints, Lungs and Respiratory System.

It may manifest itself through the unresolved emotional etiologic frequency of: Depression.

The third new Hereditary frequency 8212 was revealed to us and added to the AIM Program on September 2, 2014. This frequency is believed to function within the energetic orbs of the Skin causing itchy rash, Lungs, Respiratory System, Muscles and Joints.

It may manifest itself through the unresolved emotional etiologic frequency of: Dissatisfaction.

The fourth new Hereditary frequency 8222 was revealed to us and added to the AIM Program on September 2, 2014. This frequency is believed to function within the energetic orbs of the Brain, Spleen, Colon, Lungs, Respiratory System and Digestive Tract.

It may manifest itself through the unresolved emotional etiologic frequency of: Melancholy.

Here is the update on past frequencies that were revealed and added to the AIM Program last week:

8168, 8211, 8221 & 8231 We believe have balanced in all those AIM Participants who were clearing them.

8241 We believe will balance in all those AIM Participants who are clearing it by the end of this weekend.

Regarding the frequencies that have cleared, we clarify: "We cannot say with certainty or accuracy that they have cleared in all, because we cannot check all. Additionally, some heal more slowly because of underlying energetic weakness, such as the frequency of parasites."

REMINDER: Although the frequencies have balanced in those who are positive for them, we may have to allow our physical being to strengthen to notice the positive effects.

For more information on the latest frequencies you can listen to the Everything is Energy Show every Thursday morning from 9-10 AM (Pacific). (See the listing in [Events](#).)

Steve from North Carolina

I first heard about The AIM Program from a friend a few years ago. As soon as I heard about this spiritual technology I knew it was something that I wanted to be a part of. My wife Susan and I both read the book Sanctuary: The Path to Consciousness. We enrolled in The AIM Program of Energetic Balancing the end of December 2002 with our then 3 year old daughter.

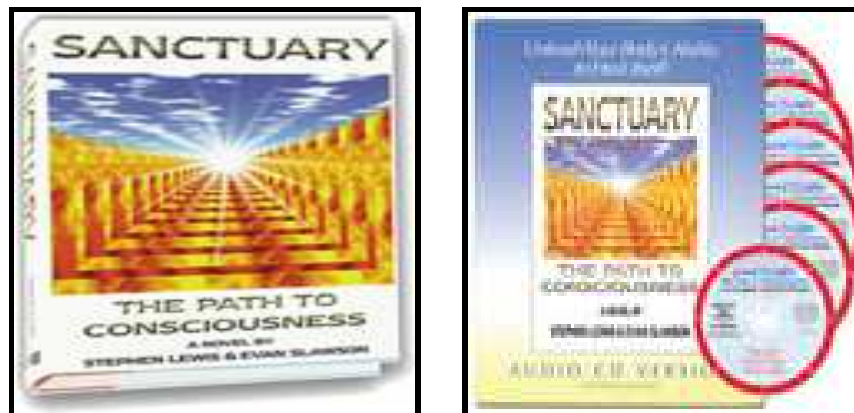

I have to admit that at first I was concerned about hereditary imbalances that appeared to manifest in my family members, the imbalance known as cancer specifically. My father and grandparents had all been diagnosed with cancer and, according to medical doctors, transitioned as a direct result of this imbalance in the 1980's.

Since I first went on The AIM Program I have come to understand and experience AIM as much more than merely focusing on healing physical imbalances. The AIM Program has assisted me in gaining the clarity in life that I had been missing for over 50 years. As my consciousness evolves and expands I make different choices that are more in harmony with my belief that we are all indeed spirit manifesting as a physical expression of All That Is.

Realization of my joyous connection to source and ever increasing awareness is what I attribute to my continued experience of the Sacrament of Energetic Balancing through The AIM Program. My family and I will be enjoying the benefits of this spiritual technology for many years to come! Thank you EMC² for assisting mankind in this spiritual journey!
