Everything is Energy Show Topics for Episode #452 09/18/14:

- All discussions of energetic imbalances reference certain frequencies an imbalance may be similar to. A frequency is not the actual disease.
- Newly revealed Hereditary imbalances added to the AIM database.
- Still finding numerous imbalances that are similar to various types of Encephalitis frequencies.
- The day a previously unknown imbalance is revealed, the person in whom it is found has immediate access to needed balancing energies via the main AIM trays, or if over the weekend, temporarily via Stephen's "mini system", until they are added to the main database. Now that's service!
- Referenced pages 172-173 in Sanctuary regarding all the additional balancing energies on AIM that add to our ability to even more quickly self-heal the many, many frequencies we acquire from insect bites.
- Resource: Events & Resources section of your Facilitator's web site offers recordings of all past Monthly Founder Calls + the Dial-in Replay Line details; with a wide variety of topics.

Newly Revealed Hereditary Frequency Update

As of September 18, 2014

This week there were six new Hereditary frequencies revealed to us.

The first new Hereditary frequency 8233 was revealed to us and added to the AIM Program on September 15, 2014. This frequency is believed to function within the energetic orbs of the Muscles, Joints, Throat, Sinuses, Heart, Lungs, Respiratory System, Digestive Tract and Skin causing an itchy rash. It may manifest itself through the unresolved emotional etiologic frequency of: Moodiness.

The second new Hereditary frequency 8243 was revealed to us and added to the AIM Program on September 15, 2014. This frequency is believed to function within the energetic orbs of the Skin, Urinary Tract, Kidneys and Bladder. It may manifest itself through the unresolved emotional etiologic frequency of: Over Aggressiveness.

The third new Hereditary frequency 8253 was revealed to us and added to the AIM Program on September 15, 2014. This frequency is believed to function within the energetic orbs of the Spleen, Colon, Brain, Muscles, Joints, Lungs and Respiratory System. It may manifest itself through the unresolved emotional etiologic frequency of: Depression.

The fourth new Hereditary frequency 8263 was revealed to us and added to the AIM Program on September 16, 2014. This frequency is believed to function within the energetic orbs of the Muscles, Joints, Lungs, Respiratory System, Skin, Brain, Urinary Tract, Bladder and Kidneys. It may manifest itself through the unresolved emotional etiologic frequency of: Obstancy.

The fifth new Hereditary frequency 8214 was revealed to us and added to the AIM Program on September 17, 2014. This frequency is believed to function within the energetic orbs of the Skin, Brain, Throat, Muscles, Joints, Sinuses and Heart. It may manifest itself through the unresolved emotional etiologic frequency of: Depression.

The sixth new Hereditary frequency 8224 was revealed to us and added to the AIM Program on September 17, 2014. This frequency is believed to function within the energetic orbs of the Brain, Muscles and Joints.

It may manifest itself through the unresolved emotional etiologic frequency of: Irritability.

Here is the update on past frequencies that were revealed and added to the AIM Program last week:

8232, 8242, 8252 & 8262 We believe have balanced in all those AIM Participants who were clearing them.

8213 & 8223 We believe will balance in all those AIM Participants who are clearing them by the end of this weekend.

Regarding the frequencies that have cleared, we clarify: "We cannot say with certainty or accuracy that they have cleared in all, because we cannot check all. Additionally, some heal more slowly because of underlying energetic weakness, such as the frequency of parasites."

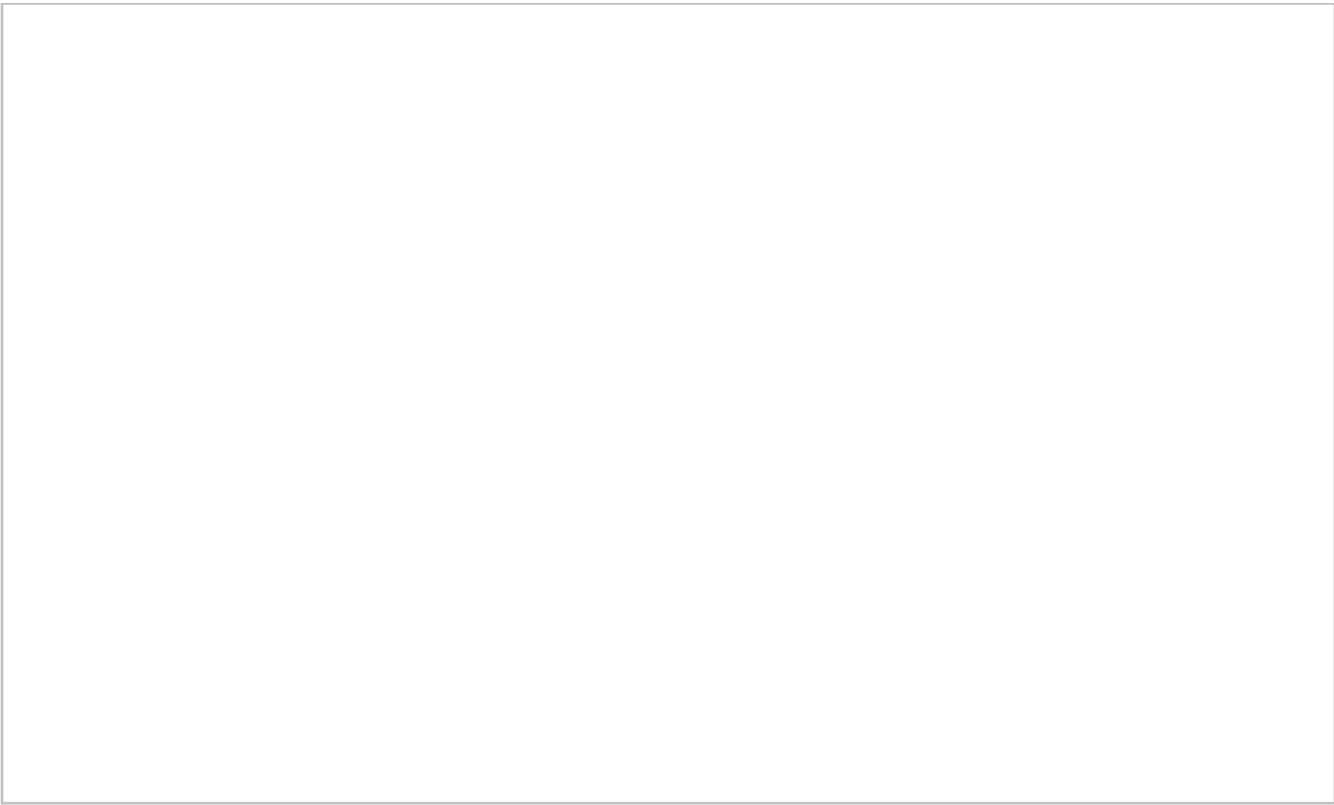

REMINDER: Although the frequencies have balanced in those who are positive for them, we may have to allow our physical being to strengthen to notice the positive effects.

David from Utah

On the 14th of June, after coming home from work and feeling particularly tired and spent, around 5pm in the evening, I started to have good "chills" throughout my body. I was having a shower and sang old childhood songs to myself, all the while feeling better & revived in a way I had not in years. My facilitator called me around 7pm to let me know I'd been put on "The Trays". It all made sense. The next day, I noticed a heightened sense of awareness in conversation, understanding and mechanical ability.

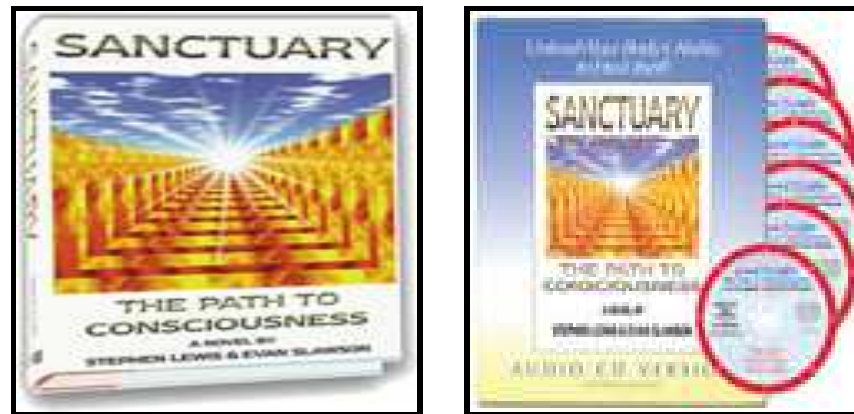

I lost all desire for alcohol. I had been a dedicated drinker for over 17 years, not missing a single day to drown in the stuff. My sense of taste returned in a dramatic way.

After a month of self-healing I felt so good I felt guilty. So, feeling this good and knowing it had to be from The AIM Program I decided to get my two daughters on the program as well. I'm a divorced man and felt like I had

such limited ability to help my daughters, but after discovering the self-healing nature of The AIM Program, I knew there was this precious spiritual technology. I am so grateful every day for the gift of The AIM Program. My daughters are now engaged in conversations, which are thought provoking and amazing, coming from girls aged 8 and 5 years old respectively. The understanding they have of their experiences and lives is a true blessing. Praises to you all, for enabling our self-healing abilities and facilitating such astounding events and experiences. Thank you. Thank you.
