## Events

### ***Everything is Energy Show Topics for Episode #455 10/09/14:***

- All discussions of energetic imbalances *reference certain frequencies an imbalance may be similar to. A frequency is NOT the actual disease.*
- Newly revealed Hereditary imbalances added to the AIM database; one of these had huge respiratory impact in Stephen as he self-healed it. The frequency it is most similar to is a respiratory-type frequency that many imbalances are similar to (39 in 2014 alone).
- Stephen expects a trend to start that will allow him to get caught up on special rechecks very quickly, and then, to be able to focus on enhancing frequencies and longevity.
- Discussed Alzheimer's from an energetic perspective and as an example of how such manifestations are impacted by multiple frequencies, other health factors and frequencies not seemingly related, and also lifestyle choices.
- We don't always appreciate all the imbalances we have healed, especially those related to things not yet manifested and not in our awareness.
- Our preferred option is to heal all Hereditary imbalances and remain on AIM to maintain high life force and access to additional balancing energies to assist us in rapidly self-healing imbalances we can and do acquire.
- Stephen's Update on Ebola and frequencies on AIM.
- Remember the resources on our web sites, such as last month's call on "Acquired Imbalances" and the AIM Q&A and Glossary.

## Newly Revealed Hereditary Frequency Update As of October 09, 2014

**This week there were two new Hereditary frequencies revealed to us.**

The first new Hereditary frequency 8216 was revealed to us and added to the AIM Program on October 6, 2014. This frequency is believed to function within the energetic orbs of the Urinary Tract, Bladder, Joints, Throat, Muscles, Sinuses and Heart.

It may manifest itself through the unresolved emotional etiologic frequency of: Withdrawal.

The second new Hereditary frequency 8226 was revealed to us and added to the AIM Program on October 6, 2014. This frequency is believed to function within the energetic orbs of the Lungs, Respiratory System and Sinuses.

It may manifest itself through the unresolved emotional etiologic frequency of: Obstancy.

**Here is the update on past frequencies that were revealed and added to the AIM Program last week:**

8235, 8245, 8255 & 8265 We believe have balanced in all those AIM Participants who were clearing them.

Regarding the frequencies that have cleared, we clarify: "We cannot say with certainty or accuracy that they have cleared in all, because we cannot check all. Additionally, some heal more slowly because of underlying energetic weakness, such as the frequency of parasites."

**REMINDER:** Although the frequencies have balanced in those who are positive for them, we may have to allow our physical being to strengthen to notice the positive effects.

*For more information on the latest frequencies you can listen to the Everything is Energy Show every Thursday morning from 9-10 AM (Pacific). (See the listing in [Events](#).)*

### **MH from Nevada**

This is in response to "The Law of Attraction: Creating Abundance with AIM".

I am a single woman (married and divorced twice) that has been single for more years than I care to count (20+) so, no doubt, I have collected my share of 'relationship baggage'. During the past 20 years I have dated on and off, but none of the relationships lasted more than a few months. I know on some level that was my

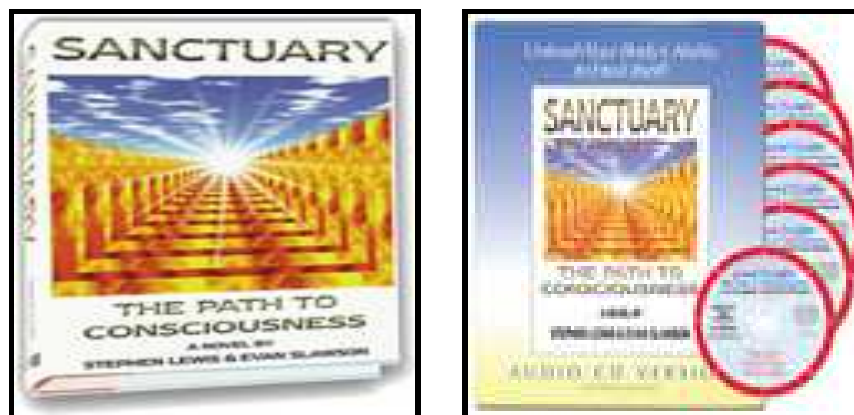

choice. Leave before I'm left? Perhaps.

Since renewing my AIM Program 4 years ago I feel I have cleared myself of some of my personal issues around relationships, or as Stephen Lewis would say, I was detoxing. I have now been in a relationship with a wonderful man for over one year, a record for me and it gets better all the time! Life is Good!

I feel that in addition to that, AIM helped me become more clear on what I wanted in a relationship, and to be more gentle/loving with myself. I feel it helped me to be more open and trusting of the Divine Plan. I am thankful for all the levels of change and abundance in my life.
