Events

Everything is Energy Show Topics for Episode #456 10/16/14:

- All discussions of energetic imbalances *reference certain frequencies an imbalance may be similar to. A frequency is NOT the actual disease.*
- Newly revealed Hereditary imbalances added to the AIM database.
- Frequencies with a component similar to the frequency of some type of Encephalitis continue to be prevalent, 45 of them revealed in 2014 alone.
- Participants (on AIM "long enough") may feel the impact of healing a "new" frequency more as they get close to the last of their imbalances; but it also takes increasingly less time to heal them.
- Continuous process of insuring the AIM database includes all frequencies we can possibly identify, both Hereditary and Acquired imbalances.
- Read Stephen's article on the enhancing frequency, "Replace Fear With Courage", an appropriate message with so many stressors and "diseases of the day" facing us today.
- Quote from Neal Donald Walsh on our "MindVoice and our SoulVoice". Stephen added another quote: "what the heart knows now, the mind will know later".

Newly Revealed Hereditary Frequency Update As of October 16, 2014

This week there were three new Hereditary frequencies revealed to us.

The first new Hereditary frequency 8236 was revealed to us and added to the AIM Program on October 13, 2014. This frequency is believed to function within the energetic orbs of the Skin, Lungs, Respiratory System, Low Back, Hip Joints and Sinuses.

It may manifest itself through the unresolved emotional etiologic frequency of: Frustration.

The second new Hereditary frequency 8246 was revealed to us and added to the AIM Program on October 14, 2014. This frequency is believed to function within the energetic orbs of the Joints, Throat, Muscles, Sinuses, Heart, Skin and Brain.

It may manifest itself through the unresolved emotional etiologic frequency of: Withdrawal.

The third new Hereditary frequency 8256 was revealed to us and added to the AIM Program on October 16, 2014. This frequency is believed to function within the energetic orbs of the Bladder, Kidneys, Urinary Tract, Muscles, Joints and Digestive Tract.

It may manifest itself through the unresolved emotional etiologic frequency of: Disappointment.

Here is the update on past frequencies that were revealed and added to the AIM Program last week:

8216 & 8226 We believe have balanced in all those AIM Participants who were clearing them.

Regarding the frequencies that have cleared, we clarify: "We cannot say with certainty or accuracy that they have cleared in all, because we cannot check all. Additionally, some heal more slowly because of underlying energetic weakness, such as the frequency of parasites."

REMINDER: Although the frequencies have balanced in those who are positive for them, we may have to allow our physical being to strengthen to notice the positive effects.

[Click here for a more-detailed explanation of the Newly Revealed Hereditary Frequency Update](#)

For more information on the latest frequencies you can listen to the Everything is Energy Show every Thursday morning from 9-10 AM (Pacific). (See the listing in [Events](#).)

Janene from Australia

I first commenced the Sacrament of Energetic Balancing through The AIM Program on the 12th of December 2003. I hadn't been feeling my vibrant self for about a year, and was present to feelings of daily tiredness, constantly overwhelmed by my commitments and responsibilities, loss of confidence, fitness and belief in myself. My weight had crept up by 10 kg compounding feelings of inadequacy and emotional lows. Life was

feeling like I was on a down hill slide while desperately pushing up-hill at the same time.

The first six months on The AIM Program I experienced more tiredness and slept a lot more than I had for years. I have a history of four to five hours sleep a night. I saw this as a correcting crisis and persevered, renewing my program for 12 months.

Now my experience of life is energetic, a sense of strong management in my work and personal life. I am committed to a rigorous exercise program, which has been in place for eight months now, and I love the whole experience of fitness. I have taken on two new businesses in addition to my existing work and am able to think clearly under acute work pressures and family breakdowns (two teenagers in the house). I am more able to openly express my love to friends and family and am a lot more demonstrable.

I am able to maintain integrity with self and others due to an increase in consciousness and proactivity in all areas of my life. My body is stronger and feels younger, even better than I can ever remember. Thank you EMC². I am so grateful for the opportunity of the benefits of energetic healing.
