## Events

### **Everything is Energy Show Topics for Episode #457 10/23/14:**

- All discussions of energetic imbalances *reference certain frequencies an imbalance may be similar to. A frequency is NOT the actual disease.*
- Newly revealed Hereditary imbalances added to the AIM database.
- "Systemic" is sometimes used to indicate an imbalance could be present in 50 different energetic orbs if 50 different people who had it were checked.
- What do you mean when you say "balancing energies are fed in to the AIM trays"? Stephen discussed how everything has a footprint or frequency and the language of EMC2, "units of consciousness". Referenced the Virtual Tray Tour Video, available on all of our web sites.
- How do you determine which balancing energies are on all 8 AIM trays, versus on just one? Based on the need for them, whether enhancing frequencies or others. Great example we discussed: 6 components of the frequency to "increase vitality, stamina and focus".
- Talkshoe system disconnected the call, just as we were wrapping up.

**Here is the update on past frequencies that were revealed and added to the AIM Program last week:**

8236, 8246 & 8256 We believe have balanced in all those AIM Participants who were clearing them.

Regarding the frequencies that have cleared, we clarify: "We cannot say with certainty or accuracy that they have cleared in all, because we cannot check all. Additionally, some heal more slowly because of underlying energetic weakness, such as the frequency of parasites."

**REMINDER:** Although the frequencies have balanced in those who are positive for them, we may have to allow our physical being to strengthen to notice the positive effects.

### Marnie from California

Having been on AIM since 2006, and having experienced signs of healing or detox along the way, I was at first surprised by my visit to an ER, followed by a Feb 2010 diagnosis of a serious condition that required stomach surgery. Then I realized that what had manifested physically didn't just happen overnight, and that there are

things of a structural nature that can require medical assistance. I realized that as I had created all things, I had the responsibility to heal all things, and that perhaps this had surfaced now because I was now capable of not only seeing myself through this ordeal, but conquering it with a zest and rebound capacity I wasn't capable of until now.

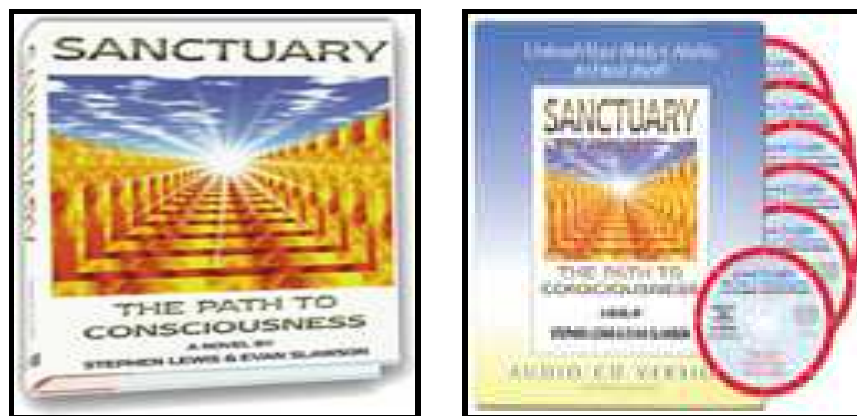

I breezed through major surgery, as I expected I would and felt an even greater capacity to fully utilize the enhancing frequencies on AIM. This may have been magnified by listening, daily, to EMC<sup>2</sup>'s AIM meditation, gifted to us in March, which helped me visualize all these balancing energies entering my power center. This was a source of major empowerment for me.

While many are amazed that I have surpassed all expectations that are given for the challenge I had, I am not in the least. I remain forever grateful to EMC<sup>2</sup> and my Facilitator not just for The AIM Program but for all the additional support and resources they provide. I sometimes wonder how many other "seniors" like me actually can say they feel "jazzed"!!
