Everything is Energy Show Topics for Episode #458 10/30/14:

- All discussions of energetic imbalances *reference certain frequencies an imbalance may be similar to. A frequency is NOT the actual disease.*
- Newly revealed Hereditary imbalances added to the AIM database.
- Even if Stephen mentions just one energetic orb of potential impact, he reminds us that our organs are all internally connected, so an imbalance is not necessarily restricted to one area.
- Sleepy? More imbalances similar to a type of Encephalitis frequency.
- Beyond healing imbalances, this is about how you live your life. Are you in concert with your environment, feeling a part of the community of man?
- Opened online chat room & phone line for several listeners for questions or comments: Two long-time participants spoke of: seeing Stephen in person, the impact of AIM in their lives and the blessing of self-empowerment. Another asked about the impact of parasite imbalances on the rate of healing. Stephen explained each person has their own unique rate, regardless of what imbalances are present or not. And most importantly, while he may not yet have been able to find certain balancing energies to assist, *there is nothing the individual cannot heal.*

Newly Revealed Hereditary Frequency Update As of October 30, 2014

This week there were four new Hereditary frequencies revealed to us.

The first new Hereditary frequency 8218 was revealed to us and added to the AIM Program on October 27, 2014. This frequency is believed to function within the energetic orbs of the Sinuses, Lungs and Respiratory System.

It may manifest itself through the unresolved emotional etiologic frequency of: Curtness.

The second new Hereditary frequency 8228 was revealed to us and added to the AIM Program on October 27, 2014. This frequency is believed to function within the energetic orbs of the Skin, Circulatory System and Bloodstream.

It may manifest itself through the unresolved emotional etiologic frequency of: Aggravation.

The third new Hereditary frequency 8238 was revealed to us and added to the AIM Program on October 28, 2014. This frequency is believed to function within the energetic orbs of the Joints, Throat, Muscles, Sinuses, Heart, Skin and Brain.

It may manifest itself through the unresolved emotional etiologic frequency of: Worry.

The fourth new Hereditary frequency 8248 was revealed to us and added to the AIM Program on October 30, 2014. This frequency is believed to function within the energetic orbs of the Spine, Skin and Brain.

It may manifest itself through the unresolved emotional etiologic frequency of: Irritability.

Here is the update on past frequencies that were revealed and added to the AIM Program last week:

8266, 8217, 8227, 8237 & 8247 We believe have balanced in all those AIM Participants who were clearing them.
8257 & 8267 We believe will balance in all those AIM Participants who are clearing them by the end of this weekend.

Regarding the frequencies that have cleared, we clarify: "We cannot say with certainty or accuracy that they have cleared in all, because we cannot check all. Additionally, some heal more slowly because of underlying energetic weakness, such as the frequency of parasites."

REMINDER: Although the frequencies have balanced in those who are positive for them, we may have to allow our physical being to strengthen to notice the positive effects.

For more information on the latest frequencies you can listen to the Everything is Energy Show every Thursday morning from 9-10 AM (Pacific). (See the listing in [Events](#).)

Ana from California

The best thing that has happened in my life, after being a mother, is to be part of the AIM Program.

Before participating on AIM, my life was sad and senseless. Physically my body was deteriorating due to disease such as hypoglycemia, hiatal hernia, sciatica, and metabolic system problems along with anxiety and depression. Spiritually, I was lost without any guide, belief or hope of a better future. Emotionally I felt as if I was dead in life.

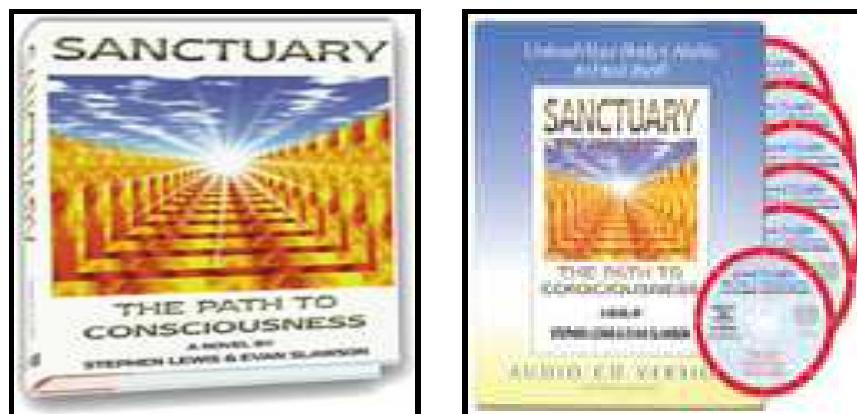

After starting AIM, my life changed as day into night. Physically my body began to self-heal the ailments without any medication. Spiritually, I feel like I found the light in the midst of darkness and no longer feel alone. I now have hopes of better things in my life. Emotionally, I feel like I am waking from a long dream in which I was just a spectator.

My self-healing through the AIM Program has helped me understand that I am responsible for everything that I have or do not have in my life. My self-healing has taught me to enjoy each day of my life and to appreciate how

lucky and blessed I am to be one of the people who can sincerely say "I FEEL ALIVE". I thank EMC² with deep gratitude for the AIM Program and for giving me the opportunity to enjoy playing the game of life with more miracles to come.
