Everything is Energy Show Topics for Episode #461 11/20/14:

- All discussions of energetic imbalances *reference certain frequencies an imbalance may be similar to. A frequency is NOT the actual disease.*
- Newly revealed Hereditary imbalances added to the AIM database.
- No call next Thursday as we celebrate Thanksgiving; Stephen hopes to have updates by the December 4th call that might allow more time to devote to how to further increase consciousness, the ultimate goal of the AIM Program.
- Whenever a Life Force or a Special Recheck is performed, all that can ever be reported to the participant is what was detected *in their consciousness at the time their photo was checked. Frequencies, "known"and/or "unknown", are capable of remaining hidden or masked.*
- We know more than we used to, but we are also increasingly aware of how much more there is to learn.
- Will return to the discussion of biologic age in two weeks.

Newly Revealed Hereditary Frequency Update As of November 20, 2014

This week there were four new Hereditary frequencies revealed to us.

The first new Hereditary frequency 8342 was revealed to us and added to the AIM Program on November 17, 2014. This frequency is believed to function within the energetic orbs of the Brain, Digestive Tract, Skin, Kidneys and Urinary Tract.

It may manifest itself through the unresolved emotional etiologic frequency of: Inflexibility.

The second new Hereditary frequency 8352 was revealed to us and added to the AIM Program on November 17, 2014. This frequency is believed to function within the energetic orbs of the Brain, Digestive Tract, Skin, Kidneys and Urinary Tract.

It may manifest itself through the unresolved emotional etiologic frequency of: Dissatisfaction.

The third new Hereditary frequency 8362 was revealed to us and added to the AIM Program on November 18, 2014. This frequency is believed to function within the energetic orbs of the Spine, Skin and Brain.

It may manifest itself through the unresolved emotional etiologic frequency of: Criticalness.

The fourth new Hereditary frequency 8313 was revealed to us and added to the AIM Program on November 19, 2014. This frequency is believed to function within the energetic orbs of the Spine, Lungs, Muscles, Respiratory System, Joints, Spleen, Colon, Digestive Tract and Skin.

It may manifest itself through the unresolved emotional etiologic frequency of: Melancholy.

Here is the update on past frequencies that were revealed and added to the AIM Program last week:

8331, 8341, 8351 & 8361 We believe have balanced in all those AIM Participants who were clearing them.

8312, 8322 & 8332 We believe will balance in all those AIM Participants who are clearing them by the end of this weekend.

Regarding the frequencies that have cleared, we clarify: "We cannot say with certainty or accuracy that they have cleared in all, because we cannot check all. Additionally, some heal more slowly because of underlying energetic weakness, such as the frequency of parasites."

REMINDER: Although the frequencies have balanced in those who are positive for them, we may have to allow our physical being to strengthen to notice the positive effects.

For more information on the latest frequencies you can listen to the Everything is Energy Show every Thursday morning from 9-10 AM (Pacific). (See the listing in [Events](#).)

Sheila from Idaho

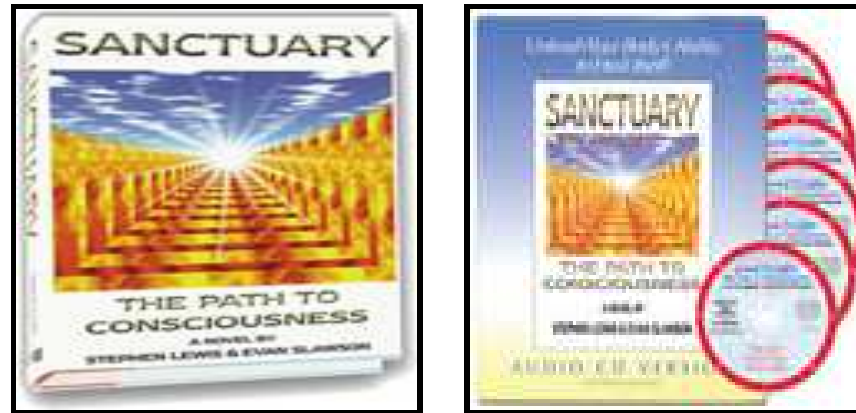

I am 42 years old and I am challenged with a neurological condition called Ataxia. This condition is the result of a deterioration of the cerebellum, which in turn causes the loss of the coordination of my muscles. It mainly affects my physical movements, my speech and my ability to swallow.

Within two or three days of beginning the spiritual self-healing process of energetic balancing through The AIM Program, before I knew that I was actually on AIM, my family noticed a huge shift in my energy level. I went from being emotionally closed down to being more open and loving.

Before going on AIM, I was very limited in my activities. I couldn't go shopping without assistance. Even around the house I had to rely on a walker and a cane. But most importantly my attitude toward life became very fearful and negative. I had given up on any hope of a future because the doctors had told me that my condition was progressive and there was nothing that could be done for it. This really made me depressed as I have a wonderful family that includes a very special little boy who I most wanted to be with and share in his growing up. However, since receiving the Sacrament of Energetic Balancing through The AIM Program my mind is more alert and I have a huge increase in energy and a real zest for living that I had lost.
