### ***Everything is Energy Show Topics for Episode #462 12/04/14:***

- All discussions of energetic imbalances *reference certain frequencies an imbalance may be similar to. A frequency is NOT the actual disease.*
- Newly revealed Hereditary imbalances added to the AIM database.
- One chronic acquired imbalance finally revealed and added to the AIM database. Many had this and had it for a number of years.
- Stephen discussed a recent article from the NIH about "personal testing" for all cancer patients, which could cost millions of dollars and a lot of time for each one. Stephen knows what this would take, as what we do energetically is fundamentally highly personal, in a different sense. Whatever imbalances you have, we help you heal.
- Are there frequencies on AIM to protect us from negative energies, for example, any lingering negative energies from previous home owners? There are a number of balancing energies on AIM that are effective in helping you counter different types of negative energetic intrusion. But, such negative energies are no different from any other "acquired" imbalances that we're exposed to constantly. The best solution is not to be vulnerable. Exposure isn't what counts - it's what you don't overcome.
- Thanksgiving and Christmas break are the only times EMC2 does not send their weekly Newsletter e-mail. If you think you missed an e-mail, you can always access the most current issue via the "EMC2 Weekly Newsletter" link on the top right side of the homepage of your Facilitator's web site, or at the bottom left of [www.aimprogram.com](http://www.aimprogram.com). **Here is the update on past frequencies that were revealed and added to the AIM Program last week:**

8342, 8352, 8362, 8313, 8323, 8333 & 8343 We believe have balanced in all those AIM Participants who were clearing them.

Regarding the frequencies that have cleared, we clarify: "We cannot say with certainty or accuracy that they have cleared in all, because we cannot check all. Additionally, some heal more slowly because of underlying energetic weakness, such as the frequency of parasites."

**REMINDER:** Although the frequencies have balanced in those who are positive for them, we may have to allow our physical being to strengthen to notice the positive effects.

### **Hip-Hop pioneer and Mega-Star Rakim and son Jabar**

Rakim:

"I would say to my fans...the best thing I could tell them is it's called The AIM Program. It's the perfect thing for us. This is my big little man here; this is my son Jabar. I've been talkin a lot for him, but I'm gonna let him tell you how he feels about the situation."

Jabar:

"I feel good since I've been on the program. And I could play football now, and not have to worry about the seizures. I could just live a normal life."

Rakim:

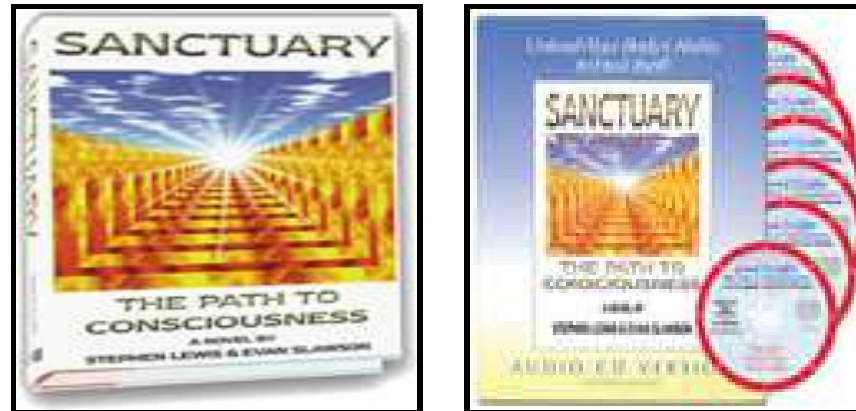

"I'm grateful. And I know he is and, you know this is a thing that everybody need in they life. It's our body healing ourself. And one of the first things that Stephen said to me. I'm not gonna do anything for you, I gonna set you up where you could heal yourself. Respecting the program so much, I was kinda scared to talk about it. You don't know if they are really going to understand what you trying to tell 'em. It seems far-fetched. I think this right

here is the future. And I think, you know, we all need to know about it."
