Everything is Energy Show Topics for Episode #463 12/11/14:

- All discussions of energetic imbalances *reference certain frequencies an imbalance may be similar to. A frequency is NOT the actual disease.*
- Newly revealed Hereditary imbalances added to the AIM database.
- Stephen knew there was a deeply hidden imbalance, possibly significant to some, that he simply could not identify until this morning, after he had cleared another "known" frequency.
- Once you clear an imbalance, we say it is "gone", and it is, but there may be another underlying imbalance surfacing to be healed, until there are no more layers to uncover.
- Discussed some common frequency components of Hereditary frequencies revealed this year and the actual number of some of them. Many are associated with symptoms of aging (in those not on AIM).
- Everything is connected, including the unique combination of imbalances each person has.
- "We are all connected, and consciousness is the process of learning and perceiving that connection."
- Coming up next week, final calls for 2014: our last Monthly Founder Call with Stephen on 12/17, and our last Everything is Energy Show on 12/18.

This frequency is believed to function within the energetic orbs of the Spine, Skin, Brain, Lungs, Muscles, Joints and Respiratory System. It may manifest itself through the unresolved emotional etiologic frequency of: Depression.

The third new Hereditary frequency 8335 was revealed to us and added to the AIM Program on December 8, 2014. This frequency is believed to function within the energetic orb of the Skin causing an itchy rash. It may manifest itself through the unresolved emotional etiologic frequency of: Moodiness.

The fourth new Hereditary frequency 8345 was revealed to us and added to the AIM Program on December 8, 2014. This frequency is believed to function within the energetic orbs of the Low Back, Hip Joints and Muscles. It may manifest itself through the unresolved emotional etiologic frequency of: Discontentment.

The fifth new Hereditary frequency 8355 was revealed to us and added to the AIM Program on December 9, 2014. This frequency is believed to function within the energetic orbs of the Joints, Throat, Muscles, Sinuses,

Heart, Spine, Skin and Brain.

It may manifest itself through the unresolved emotional etiologic frequency of: Aggravation.

The sixth new Hereditary frequency 8365 was revealed to us and added to the AIM Program on December 9, 2014. This frequency is believed to function within the energetic orbs of the Bladder, Kidneys and Urinary Tract. It may manifest itself through the unresolved emotional etiologic frequency of: Withdrawal.

The seventh new Hereditary frequency 8316 was revealed to us and added to the AIM Program on December 11, 2014. This frequency is believed to function within the energetic orbs of the Skin and Nails. It may manifest itself through the unresolved emotional etiologic frequency of: Over Aggressiveness.

Here is the update on past frequencies that were revealed and added to the AIM Program last week:

8363, 8314, 8324, 8334, 8344, 8354 & 8364 We believe have balanced in all those AIM Participants who were clearing them.

Regarding the frequencies that have cleared, we clarify: "We cannot say with certainty or accuracy that they have cleared in all, because we cannot check all. Additionally, some heal more slowly because of underlying energetic weakness, such as the frequency of parasites."

REMINDER: Although the frequencies have balanced in those who are positive for them, we may have to allow our physical being to strengthen to notice the positive effects.

Genevieve from California

Before I got on The AIM Program, I was suffering repeated kidney infections. I was always sick. I was getting weaker every day no matter what I tried. I had been to the doctor many times over; I had an operation that just about killed me and I still kept getting worse. My Mom was searching for something to help me. She was really afraid I wasn't going to make it. She saw the article about The AIM Program. My Transformation has really been remarkable. I truthfully have been getting better everyday since. I've been on the trays six months now and I haven't suffered from even one more kidney infection. I truly believe being on the trays is the biggest part of my getting well. I am so grateful to be a part of this wonderful program.
