## Events

### ***Everything is Energy Show Topics for Episode #465 01/08/15:***

- All discussions of energetic imbalances *reference certain frequencies an imbalance may be similar to. A frequency is NOT the actual disease.*
- Newly revealed Hereditary imbalances added to the AIM database.
- We appreciate the dedication of everyone involved with EMC2 - even over the holidays, newly revealed frequencies were added to the AIM trays.
- Reminder that some frequencies can impact a wide variety of energetic orbs within a given individual: Stephen found one new frequency to be present in him in 7 energetic orbs.
- More AIM participants showing no remaining imbalances. On the flip side of that, Stephen sees many non-AIMers, in their prime, falling apart with things normally seen in people who are much older.
- The audience for spiritual disciplines is huge. More people have a knowing that they must learn how to heal themselves, and that healing has nothing to do with "treating".
- Spirituality is inclusionary and is about feeling our connection to everyone and everything, ie, consciousness. This will be an area of even more focus once few if any "new" frequencies are being revealed.

**Here is the update on past frequencies that were revealed and added to the AIM Program last week:**

8317, 8327, 8337 & 8347 We believe have balanced in all those AIM Participants who were clearing them.

8357 We believe will balance in all those AIM Participants who are clearing it by the end of this weekend.

Regarding the frequencies that have cleared, we clarify: "We cannot say with certainty or accuracy that they have cleared in all, because we cannot check all. Additionally, some heal more slowly because of underlying energetic weakness, such as the frequency of parasites."

**REMINDER:** Although the frequencies have balanced in those who are positive for them, we may have to allow our physical being to strengthen to notice the positive effects.

### Matt from Wisconsin

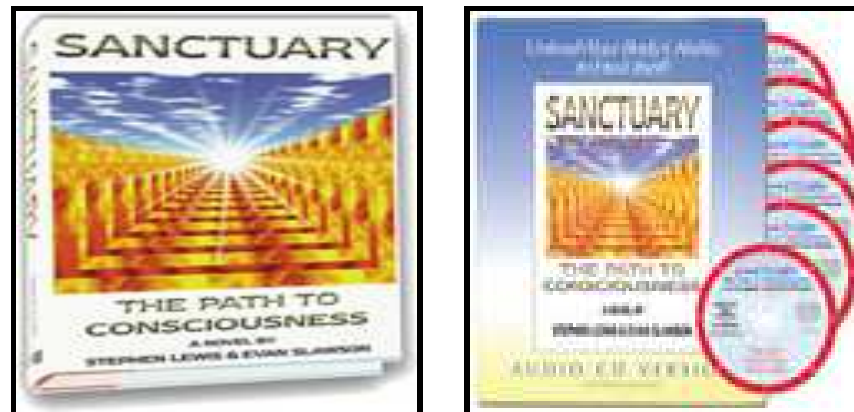

I went on The AIM Program in September of 2006 after reading Sanctuary. My wife went on one month later.

Since she was two-months pregnant, we got two for the price of one! Our son, George, was born in June 2007. He was a pound more than his birth weight at his 1-week check-up. People always comment on his alertness for such a young baby and his strength. Also, George came out with a life force of 100! That's such peace-of-mind to us as parents. We were at a "1" when we enrolled, although a year later we are at 100. And now we just enrolled him on the family plan to keep all of us at 100. The self-healing of The AIM Program has brought all sorts of positive changes to our marriage, our finances, and our goals. The results of our self-healing are manifesting and I'm so glad to know that AIM is the real thing.
