Everything is Energy Show Topics for Episode #466 01/15/15:

- All discussions of energetic imbalances *reference certain frequencies an imbalance may be similar to. A frequency is NOT the actual disease.*
- Newly revealed Hereditary imbalances added to the AIM database.
- An imbalance can be of impact in different energetic orbs in people who have it, AND it's impact can be unique to the individual even if present in the same energetic orb.
- People new to AIM may take a year or more to heal all Hereditary imbalances they have, at least for as long as previously unknown frequencies are still being revealed and added to the database.
- Stephen feels it's time to focus more on enhancing frequencies. Specifically, he wants to focus on "fear of life" or the "inability to be part of life". He wants to identify frequencies we can use to replace that with "love of life", in the same way that there are frequencies to help you replace anger with forgiveness or to replace desire with acceptance.
- Quote from page 164 in Sanctuary: "...what is it about you that invited a negative influence you are unable to overcome?" As we heal imbalances and their linked emotions (toxify), we are better able to grow, make better choices and raise consciousness (tonify).
- Enhancing frequencies are voluntary - you choose to select these balancing energies, and you don't select them all at once, nor do you always select any one of them. Whether you choose frequencies to increase confidence, improve emotional response, or one of the many hundreds on AIM, they are there any time you need them.
- Read more about enhancing frequencies, including articles about some specific ones, on your Facilitator's web site.

This week there were seven new Hereditary frequencies revealed to us.

The seventh new Hereditary frequency 8412 was revealed to us and added to the AIM Program on January 14, 2015. This frequency is believed to function within the energetic orbs of the Brain, Urinary Tract, Bladder, Kidneys and Skin.

It may manifest itself through the unresolved emotional etiologic frequency of: Impatience.

Here is the update on past frequencies that were revealed and added to the AIM Program last week:

8367, 8318, 8328, 8338, 8348, 8358 & 8368 We believe have balanced in all those AIM Participants who were clearing them.

Regarding the frequencies that have cleared, we clarify: "We cannot say with certainty or accuracy that they have cleared in all, because we cannot check all. Additionally, some heal more slowly because of underlying energetic weakness, such as the frequency of parasites."

REMINDER: Although the frequencies have balanced in those who are positive for them, we may have to allow our physical being to strengthen to notice the positive effects.

Penny from California

I have seen many positive changes in my life, my health and my general well being in the years since I started the spiritual self-healing with energetic balancing through The AIM Program.

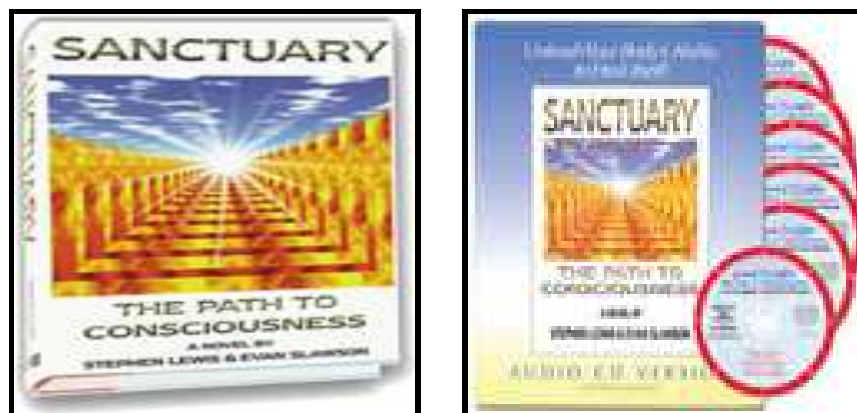

One of the most obvious and significant things that has occurred for me is that I'm no longer plagued by cold sores. Cold sores, otherwise known as Herpes Type I, are something that I can remember having since I was a small child. I used to get breakouts several times a year. They were always really uncomfortable and lasted for at least a week, sometimes longer. I would feel embarrassed, ashamed, and really unhappy whenever I had a breakout. I would avoid going outside when it was windy or cold or too hot, as any of those weather conditions could trigger a breakout. I'm ecstatic to report that I don't have to worry about breakouts anymore. Sometimes I may get a small bump around my mouth, but it doesn't turn into a cold sore and it doesn't last very long.

I used to be very allergic to cats. I would sneeze practically non-stop for hours on end whenever I was around my boyfriend's cat. I now have a long-haired cat of my own and I don't have any allergic reaction at all to her.

I have been very healthy for the last year and a half or so. I think I've only had one cold, and it was a minor one that didn't last very long. I haven't had the flu either, nor have I gotten any flu shots. I'm much happier, calmer and more relaxed since I've been on The AIM Program. I choose not to worry about any illnesses or diseases because I know that I am balancing and healing myself 24 hours a day, 7 days a week. AIM is a wonderful program and I highly recommend it.
