Everything is Energy Show Topics for Episode #467 01/22/15:

- All discussions of energetic imbalances *reference certain frequencies an imbalance may be similar to. A frequency is NOT the actual disease.*
- Newly revealed Hereditary imbalances added to the AIM database.
- Stephen reiterated that EMC2 does not use any medical equipment or tests and cannot, does not and will not confirm nor dispute any medical diagnosis. We work with energetic imbalances in consciousness, and helping you self-heal all imbalances you have.
- Discussed several types of frequencies of impact in the energetic orbs of: the respiratory system, the skin and one type that can impact almost any energetic orb.
- Stephen intends to do more work on enhancing frequencies, and "love of life" as discussed last week. But for now, he continues to address the inseparable nature of imbalance manifestations and unresolved emotional imbalances.
- As we see some diseases seemingly on the rise in the general population, we AIMers continue to be grateful for the constant expansion of the AIM Program to help each of us heal all of our energetic imbalances.

Newly Revealed Hereditary Frequency Update As of January 22, 2015

This week there were four new Hereditary frequencies revealed to us.

The first new Hereditary frequency 8422 was revealed to us and added to the AIM Program on January 19, 2015. This frequency is believed to function within the energetic orbs of the Mouth, Low Back, Hip Joints, Spine, Muscles, Joints, Lungs and Respiratory System.

It may manifest itself through the unresolved emotional etiologic frequency of: Indecision.

The second new Hereditary frequency 8432 was revealed to us and added to the AIM Program on January 19, 2015. This frequency is believed to function within the energetic orbs of the Joints, Throat, Muscles, Sinuses, Heart, Skin and Brain.

It may manifest itself through the unresolved emotional etiologic frequency of: Depression.

The third new Hereditary frequency 8442 was revealed to us and added to the AIM Program on January 20, 2015. This frequency is believed to function within the energetic orbs of the Mouth, Lungs, Respiratory System, Bladder, Kidneys and Urinary Tract.

It may manifest itself through the unresolved emotional etiologic frequency of: Unhappiness.

The fourth new Hereditary frequency 8452 was revealed to us and added to the AIM Program on January 22, 2015. This frequency is believed to function within the energetic orbs of the Skin, Lungs, Respiratory System and Digestive Tract.

It may manifest itself through the unresolved emotional etiologic frequency of: Anguish.

Here is the update on past frequencies that were revealed and added to the AIM Program last week:

8411, 8421, 8431, 8441 & 8451 We believe have balanced in all those AIM Participants who were clearing them.

8461 & 8412 We believe will balance in all those AIM Participants who are clearing them by the end of this weekend.

Regarding the frequencies that have cleared, we clarify: "We cannot say with certainty or accuracy that they have cleared in all, because we cannot check all. Additionally, some heal more slowly because of underlying energetic weakness, such as the frequency of parasites."

REMINDER: Although the frequencies have balanced in those who are positive for them, we may have to allow our physical being to strengthen to notice the positive effects.

Katrina Radke from Minnesota

Katrina:

"I started my international swimming career for the United States at age 14 when I was the youngest national team member to compete in 1985. And assuming that I go to Athens this summer and compete in the Olympic games I'll be the oldest member ever to swim for the United States at age 33."

Katrina's Coach:

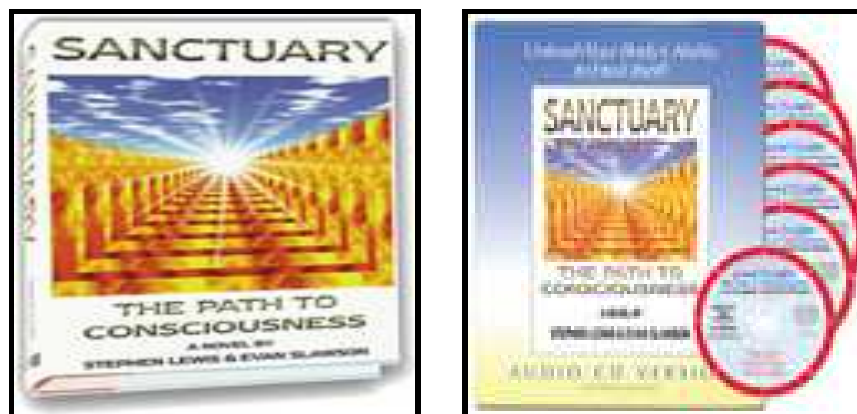

"From my perspective as Trina's coach, what The AIM Program has enabled her to do is nothing short of miraculous; Number 1, you don't go from not training for 10 years and then make a serious run at an Olympic team, let alone having had to recover from a serious illness like chronic fatigue, where it was almost impossible for her to walk up a couple of flights of stairs. She had disabled parking, I mean she was basically an invalid; And to go from being an invalid to a world ranked swimmer again in a year and half of training is nothing short of a miracle; It's really amazing!"

Katrina:

"I've already been successful, because I was so sick, and being able to come back and get to the world class level; That no matter what happens it's going to be like icing on the cake."
