Events

Everything is Energy Show Topics for Episode #469 02/05/15:

- All discussions of energetic imbalances *reference certain frequencies an imbalance may be similar to. A frequency is NOT the actual disease.*
- Newly revealed Hereditary imbalances added to the AIM database.
- Discussed reasons to remain on AIM; Stephen feels we are in the middle of a "raging war", and the only weapon is consciousness.
- What AIM does, even more so when you no longer have hereditary imbalances, is to help you raise consciousness.
- What is happening with the AIM Program is not explained by science but by quantum mechanics.
- Referenced related quotes in Sanctuary (the page before Contents) and the Prologue, which is also a good and simple yet profound means of inviting someone to take a look at AIM (available on all of our web sites).

Stephen's *Everything is Energy* Weekly Show

Thursday, February 12, 2015

9-10 AM (Pacific), 10-11 AM (Mountain), 11 AM-12 PM (Central), 12-1 PM (Eastern)

Please join [Stephen Lewis](#), the developer of the AIM Program of Energetic Balancing and co-author of the novel [Sanctuary: The Path to Consciousness](#) for the latest on newly revealed hereditary imbalances (what they're similar to, how they may manifest, how "rare" or common they may be) and enlightening discussions on

Stephen's ever-expanding research and testing techniques and their implications for the comprehensiveness of the AIM Program and our potential well-being as AIM participants.

Questions? Please email them to energy@energeticmatrix.com with "E is E question" in the subject line.

Newly Revealed Hereditary Frequency Update As of February 05, 2015

This week there were three new Hereditary frequencies revealed to us.

The first new Hereditary frequency 8463 was revealed to us and added to the AIM Program on February 2, 2015. This frequency is believed to function within the energetic orbs of the Spleen, Colon, Digestive Tract, Hip Joints, Skin and Brain.

It may manifest itself through the unresolved emotional etiologic frequency of: Moodiness.

The second new Hereditary frequency 8414 was revealed to us and added to the AIM Program on February 2, 2015. This frequency is believed to function within the energetic orbs of the Lungs and Respiratory System.

It may manifest itself through the unresolved emotional etiologic frequency of: Despair.

The third new Hereditary frequency 8424 was revealed to us and added to the AIM Program on February 4, 2015. This frequency is believed to function within the energetic orb of the Skin.

It may manifest itself through the unresolved emotional etiologic frequency of: Deception.

Here is the update on past frequencies that were revealed and added to the AIM Program last week:

8462, 8413, 8423 and 8433 We believe have balanced in all those AIM Participants who were clearing them.

8443 & 8453 We believe will balance in all those AIM Participants who are clearing them by the end of this weekend.

Regarding the frequencies that have cleared, we clarify: "We cannot say with certainty or accuracy that they have cleared in all, because we cannot check all. Additionally, some heal more slowly because of underlying energetic weakness, such as the frequency of parasites."

REMINDER: Although the frequencies have balanced in those who are positive for them, we may have to allow our physical being to strengthen to notice the positive effects.

[Click here for a more-detailed explanation of the Newly Revealed Hereditary Frequency Update](#)

For more information on the latest frequencies you can listen to the Everything is Energy Show every Thursday morning from 9-10 AM (Pacific). (See the listing in [Events](#).)

Elliot from California

I would like to share with you a story about Elliot, a friend's dog.

Elliot didn't have an easy life. He had several owners and at some point was "on his own". A vet finally found him and took care of him for a while.

But Elliot already had chronic symptoms like: losing weight, loss of appetite, "feeling down", hardly moving around, throwing up, teary eyes, and diarrhea.

He finally found his way to my friend here in California from Arizona through a rescue program. This happened in September of 2007.

No matter what we did, Elliot's condition wouldn't change; plus he was still on "survival mode," eating whatever he would find on the ground, from toads to wood chips and rotten mice instead of eating his food.

We took him to another vet but he couldn't find anything wrong with him. My friend started to lose faith and thought about giving him up.

That's when I decided to put him on The AIM Program in February of 2008. About a week before he went on the

program he had eaten a toad and felt terribly sick; and in that week he was able to throw up the remnants of the toad!

He is not in "survival mode" anymore, he eats his food, plays around, is very energetic, loving, people friendly, playful, listens, doesn't have the need to run away anymore, knows his home, and he is an absolutely great runner. His eyes are pretty much back to normal. He also started to gain weight. Before you could count ribs and each and every vertebra.

I feel that we have saved this dog's life.

I'm on The AIM Program myself; and it's amazing to see how quickly an animal can self-heal. That is inspiring to me!

EMC² Shop

"The frequencies found in these animals were for the most part the same as those found in humans.

Most important, animals were able to benefit from balancing energies to achieve greater well-being, as reported by their owners."
