Everything is Energy Show Topics for Episode #475 03/26/15:

- All discussions of energetic imbalances *reference certain frequencies an imbalance may be similar to. A frequency is NOT the actual disease.*
- Newly revealed Hereditary imbalances added to the AIM database.
- Only you can heal you. There is a lot of help available, but it is up to you to allow the love, the magic, in.
- Several enhancing frequencies can assist you, 24/7, in remembering to appreciate the miraculous in everything. Just because something isn't new to us doesn't make it any less miraculous.
- Healing emotions: If an imbalance is "gone", why isn't the emotion associated with it "gone"? Do we have additional work to do? We discussed "layers", how emotional components can differ person to person, and how persistent negative thought patterns mean there are things for you to work on with whatever additional tools you're attracted to. Practice makes perfect, whether the pattern is of negative or positive value.
- Two fun resources related to habits and healing: (1) Autobiography in Five Short Chapters by Portia Nelson (available here <http://www.dwlz.com/Motivation/tips26.html>) and (2) Stephen's favorite movie, Groundhog Day.

It may manifest itself through the unresolved emotional etiologic frequency of: Over Agressiveness.

The fourth new Hereditary frequency 8551 was revealed to us and added to the AIM Program on March 26, 2015. This frequency is believed to function within the energetic orbs of the Lungs and Respiratory System.

It may manifest itself through the unresolved emotional etiologic frequency of: Irritability.

The fifth new Hereditary frequency 8561 was revealed to us and added to the AIM Program on March 26, 2015. This frequency is believed to function within the energetic orbs of the Skin, Cartilage, Nerves, Muscles, Joints, Lungs, Respiratory System, Skin, Spine and Digestive Tract.

It may manifest itself through the unresolved emotional etiologic frequency of: Insecurity.

Here is the update on past frequencies that were revealed and added to the AIM Program last week:

8511 We believe will balance in all those AIM Participants who are clearing it by the end of this weekend.

Regarding the frequencies that have cleared, we clarify: "We cannot say with certainty or accuracy that they have cleared in all, because we cannot check all. Additionally, some heal more slowly because of underlying energetic weakness, such as the frequency of parasites."

REMINDER: Although the frequencies have balanced in those who are positive for them, we may have to allow our physical being to strengthen to notice the positive effects.

For more information on the latest frequencies you can listen to the Everything is Energy Show every Thursday morning from 9-10 AM (Pacific). (See the listing in [Events](#).)

Sophia from New York

To most of my friends and family who thought I was crazy and up to my usual antics . . . I just wanted to pass on the greatest news of all. I no longer have Mitral Valve Prolapse!! After being on The AIM Program for 10 months I had 2 echocardiograms done. Both of them show that there is no evidence whatsoever of any heart condition, much less Mitral Valve Prolapse. I have plenty of echocardiograms that were done over the years that document that I did indeed once have this condition.

I would like to thank AIM for helping me to heal myself and for helping me get my life and energy back, as well as a beautiful, healthy glow. I was previously drawn and green (yes, green). AIM has helped me find health, happiness and well being again. Thank you!!!
