## Events

### ***Everything is Energy Show Topics for Episode #476 04/02/15:***

- All discussions of energetic imbalances *reference certain frequencies an imbalance may be similar to. A frequency is NOT the actual disease.*
- Newly revealed Hereditary imbalances added to the AIM database.
- Many found this year have a particular respiratory frequency component, one of which or all of which can cause problems if not healed, or may be felt as healed.
- Discussed Stephen "knowing something is there", and "knowing" in general: It's simply paying attention to what's there. The more you do something, the better you get at it. At some level, your practice becomes mystical - you are entering into a different world of perception and knowing, a different level of consciousness.
- All "problems" are identifiable - we need to look to ourselves first to see and heal the problem. All AIM does is keep you focused non-stop until you self-heal your imbalances.
- Tenets of EMC2(on all of our web sites): #7, Self-responsibility - EMC2 teaches self-responsibility. Self-responsibility means acknowledging that we are the cause of everything in our own lives. Self-responsibility means accepting the power that we truly wield as infinite and eternal beings. Denial of our self-responsibility means giving up that power and becoming victims of our environment.
- Related "Abraham" quote: "Don't let any place that you are standing frighten you. All it is, is a byproduct of some energy alignment, which only gives you stronger clarity about what you want - and most importantly, greater sensitivity about whether you're in a receiving mode or locked off of it."

The sixth new Hereditary frequency 8562 was revealed to us and added to the AIM Program on April 2, 2015. This frequency is believed to function within the energetic orbs of the Bladder, Urinary Tract, Kidneys, Muscles, Joints, Throat, Sinuses and Heart.

It may manifest itself through the unresolved emotional etiologic frequency of: Embitteredness and Depression.

**Here is the update on past frequencies that were revealed and added to the AIM Program last week:**

8521, 8531, 8541, 8551 & 8561 We believe have balanced in all those AIM Participants who were clearing them. Regarding the frequencies that have cleared, we clarify: "We cannot say with certainty or accuracy that they have cleared in all, because we cannot check all. Additionally, some heal more slowly because of underlying energetic weakness, such as the frequency of parasites."

**REMINDER:** Although the frequencies have balanced in those who are positive for them, we may have to allow our physical being to strengthen to notice the positive effects.

### **Vernon from Colorado**

I am writing to express my thrill and excitement about my life as a result of The AIM Program.

I fully intend this to be a testimonial. I have had my share of ups and downs and swearing as I "cleared" certain frequencies; however there is another story.

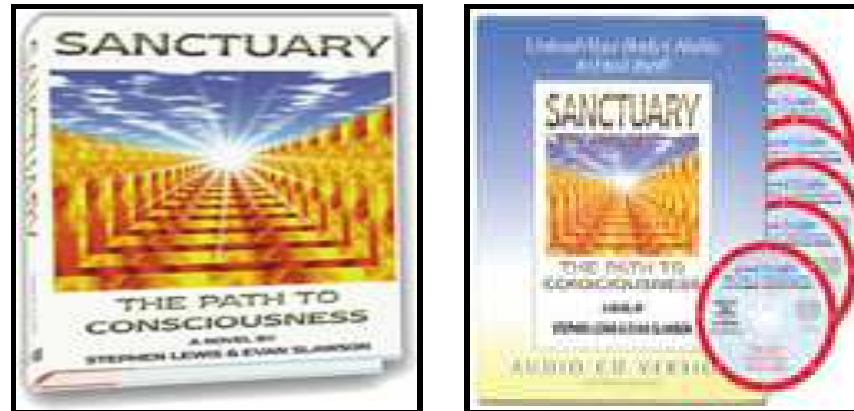

Yesterday as I spoke at church, with the largest attendance ever, what I noticed is that my inhibitions had vanished and the Minister in me was on fire. I felt the presence moving through me in ways never before imagined or experienced in my 68 years.

I was inspiring, on fire and waving my arms around like a person with a mission. What has happened has me mystified. Who is this new me? What has kept these aspects hidden? The only variable of note in my life is The AIM Program. My inner blocks have been removed and now the gifts are flowing as expressions of my authentic self.

Countless individuals now tell me daily what an impact I have on their lives. Thank you EMC<sup>2</sup>!
