**Newly Revealed Hereditary Frequency Update  
As of April 09, 2015**

## **This week there were five new Hereditary frequencies revealed to us.**

The first new Hereditary frequency 8513 was revealed to us and added to the AIM Program on April 6, 2015. This frequency is believed to function within the energetic orbs of the Skin, Kidneys, Lungs and Respiratory System.

It may manifest itself through the unresolved emotional etiologic frequency of: Depression.

The second new Hereditary frequency 8523 was revealed to us and added to the AIM Program on April 6, 2015. This frequency is believed to function within the energetic orbs of the Lungs, Respiratory System and Digestive Tract.

It may manifest itself through the unresolved emotional etiologic frequency of: Apathy.

The third new Hereditary frequency 8533 was revealed to us and added to the AIM Program on April 6, 2015. This frequency is believed to function within the energetic orbs of the Spine, Muscles, Joints, Lungs and Respiratory System.

It may manifest itself through the unresolved emotional etiologic frequency of: Irritability.

The fourth new Hereditary frequency 8543 was revealed to us and added to the AIM Program on April 8, 2015. This frequency is believed to function within the energetic orbs of the Lungs, Respiratory System, Bladder, Urinary Tract, Kidneys, Low Back and Hip Joints.

It may manifest itself through the unresolved emotional etiologic frequency of: Discontentment.

The fifth new Hereditary frequency 8553 was revealed to us and added to the AIM Program on April 8, 2015. This frequency is believed to function within the energetic orbs of the Skin, Brain, Muscles, Joints, Throat, Sinuses, Heart and Lymph Glands.

It may manifest itself through the unresolved emotional etiologic frequency of: Hypersensitivity.

**Here is the update on past frequencies that were revealed and added to the AIM Program last week:**

8512, 8522, 8532, 8542, 8552 & 8562 We believe have balanced in all those AIM Participants who were clearing them.

Regarding the frequencies that have cleared, we clarify: "We cannot say with certainty or accuracy that they have cleared in all, because we cannot check all. Additionally, some heal more slowly because of underlying energetic weakness, such as the frequency of parasites."

**REMINDER:** Although the frequencies have balanced in those who are positive for them, we may have to allow our physical being to strengthen to notice the positive effects.

### Quote for the Week

**Everything is energy and that's all there is to it.  
Match the frequency of the reality you want  
and you cannot help but get that reality.  
It can be no other way. This is not philosophy.  
This is physics."

### **Helen from Kentucky**

Since participating in the self-healing Program of AIM I am feeling so much better about things. I am taking responsibility for my own choices/creations. I feel like I have more energy. My diet is even changing. My body wants fruit and veggies. I feel braver, bolder, like I want to go out and meet life head on where until now I had that desire, but didn't feel I had the energy to actually follow through. I want to be good to myself now. I am letting love in. I am allowing. I've been on an emotional roller coaster lately, but through the process I have released a lot of negative emotion, and that is good! The AIM Program has made it possible for me to let myself be more aware. I feel the connectedness of all things at a new level. I glanced at the TV yesterday and there were three men talking about sports...the first thing I saw was their oneness...I could have cried. A shift has occurred and it's glorious. For the first time in my life I feel like I am in control...that I am the creator of my life. What I've been wanting for the past 16 years, was piled up outside my door all this time and AIM has given me

the tools to open that door! I believe it's the greatest tool we have today for self-healing and reaching our highest potential. There is nothing else like it.

In addition I have had this spot of really dry skin on my lower back. It has grown in since over the years. I've had it for about 16 years now. A doctor just called it really bad dry skin because she wasn't sure what it was. Nothing would get rid of it. It didn't bother me too much but I noticed a week ago it was almost gone..now it IS gone! I mean even the redness under the layers of dryness is GONE! I have beautiful clear skin there now!!!

I have waited to tell this because I wanted to be sure it didn't come back and I wanted someone else to look at it for me. I am just AMAZED that I've self-healed my skin after trying so many things! Woohoo! I even had my son look at my back this morning just to see if he could find any signs of it and he said there is not one red spot or dry skin anywhere! I could not have done it without AIM or I would have done it a long time ago. 16 Years is a long time to have a skin rash!
