Everything is Energy Show Topics for Episode #480 04/30/15:

- All discussions of energetic imbalances *reference certain frequencies an imbalance may be similar to. A frequency is NOT the actual disease.*
- Newly revealed Hereditary imbalances added to the AIM database.
- Will this be the year when self-healing isn't just for "tree-huggers"?
- Impossible to know precisely what, if any, frequency you are detoxing because the same imbalance can have a different impact in different people. You might feel something when balancing energies are first added to AIM, or not until the frequency is just about gone in you, or not feel anything at all.
- While Stephen is highly observant of what's happening in the world, he believes the most important focus is on healing all hereditary weaknesses, so that whatever you acquire is easily overcome. Overcoming imbalances fundamentally makes you stronger.

Newly Revealed Hereditary Frequency Update As of April 30, 2015

This week there were five new Hereditary frequencies revealed to us.

The first new Hereditary frequency 8535 was revealed to us and added to the AIM Program on April 23, 2015. This frequency is believed to function within the energetic orbs of the Skin, Brain, Bladder, Urinary Tract, Kidneys, Muscles, Joints, Lungs, Respiratory System, Throat, Sinuses and Heart. It may manifest itself through the unresolved emotional etiologic frequency of: Unhappiness.

The second new Hereditary frequency 8545 was revealed to us and added to the AIM Program on April 27, 2015. This frequency is believed to function within the energetic orbs of the Skin, Digestive Tract, Lungs, Respiratory System, Adrenals, Low Back and Hip Joints. It may manifest itself through the unresolved emotional etiologic frequency of: Unhappiness.

The third new Hereditary frequency 8555 was revealed to us and added to the AIM Program on April 27, 2015.

This frequency is believed to function within the energetic orbs of the Spine, Muscles, Joints, Lungs, Respiratory System, Skin and Brain.

It may manifest itself through the unresolved emotional etiologic frequency of: Withdrawal.

The fourth new Hereditary frequency 8565 was revealed to us and added to the AIM Program on April 27, 2015. This frequency is believed to function within the energetic orbs of the Muscles, Spine, Digestive Tract, Skin, Lungs and Respiratory System.

It may manifest itself through the unresolved emotional etiologic frequency of: Over Aggressiveness.

The fifth new Hereditary frequency 8516 was revealed to us and added to the AIM Program on April 28, 2015. This frequency is believed to function within the energetic orbs of the Spine, Muscles, Joints, Lungs, Respiratory System, Throat, Sinuses and Heart.

It may manifest itself through the unresolved emotional etiologic frequency of: Depression.

Here is the update on past frequencies that were revealed and added to the AIM Program last week:

8554, 8564, 8515 & 8525 We believe have balanced in all those AIM Participants who were clearing them.

Regarding the frequencies that have cleared, we clarify: "We cannot say with certainty or accuracy that they have cleared in all, because we cannot check all. Additionally, some heal more slowly because of underlying energetic weakness, such as the frequency of parasites."

REMINDER: Although the frequencies have balanced in those who are positive for them, we may have to allow our physical being to strengthen to notice the positive effects.

For more information on the latest frequencies you can listen to the Everything is Energy Show every Thursday morning from 9-10 AM (Pacific). (See the listing in [Events](#).)

Joy from Florida

Thanks to my self-healing with the assistance of AIM, my life has been transformed at 66 years of age (forget "old").

On day one, as my consciousness selected the subtle-energy frequencies for my process of self-healing, the existing anxiety and depression flowed out, never to return.

Interestingly, I have experienced: (1) a clearing of thought (previous mental fog is out, clarity in); (2) the thyroid/throat area now with good energy (from chronically low, I feel an energy increase); (3) my lungs are now clear (no longer problematic, my breathing is full); (4) redness on the palm of hands for a month, not due to new dish soap after all, but rather to self-healing through the AIM Program clearing the auto-immune system, including release of cancer frequency inherited from mother (she died from pervasive cancer at 45 y.o.); and, (5) a releasing of very old layers of sadness in the heart center area (I feel emotionally clearer).

I believe that cells hold one vibration at a time, so AIM's constant flow of energy produces remarkable effects. Since the flow of this very high energy is continuous, I believe that it is able to go deep, lifting out pockets of old stored energy. Most significant for me, I am emotionally at peace. I am experiencing my life goal of spiritual fulfillment, with love flowing through for myself and others. I am a cup overflowing. Eternal thanks to EMC2 for the AIM Program. I look forward to our future together.
