## Events

### **Everything is Energy Show Topics for Episode #481 05/07/15:**

- All discussions of energetic imbalances *reference certain frequencies an imbalance may be similar to. A frequency is NOT the actual disease.*
- Newly revealed Hereditary imbalances added to the AIM database.
- Your ability to heal yourself is the key to living long and well. Healers can only help you heal yourself - and you only heal yourself if you want to.
- Discussed other key points in our call introduction/disclosure, which isn't just a disclaimer but rather a means of explaining what it is we do and don't do, and what it is you do.
- Summarized steps in performing a special recheck, along with things that can impact the process.

## Newly Revealed Hereditary Frequency Update As of May 07, 2015

**This week there were four new Hereditary frequencies revealed to us.**

The first new Hereditary frequency 8526 was revealed to us and added to the AIM Program on May 4, 2015. This frequency is believed to function within the energetic orbs of the Skin, Brain, Muscles, Joints, Lungs, Respiratory System, Throat, Sinuses, Heart, Digestive Tract and Spine. It may manifest itself through the unresolved emotional etiologic frequency of: Melancholia.

The second new Hereditary frequency 8536 was revealed to us and added to the AIM Program on May 4, 2015. This frequency is believed to function within the energetic orbs of the Spine, Muscles, Joints, Lungs, Respiratory System, Bladder, Urinary Tract and Kidneys. It may manifest itself through the unresolved emotional etiologic frequency of: Self Willed.

The third new Hereditary frequency 8546 was revealed to us and added to the AIM Program on May 5, 2015. This frequency is believed to function within the energetic orbs of the Colon, Spleen, Digestive Tract, Spine,

Muscles and Lymph Glands.

It may manifest itself through the unresolved emotional etiologic frequency of: Withdrawal.

The fourth new Hereditary frequency 8556 was revealed to us and added to the AIM Program on May 7, 2015. This frequency is believed to function within the energetic orbs of the Spine, Muscles, Joints, Lungs, Respiratory System and Lymph Glands.

It may manifest itself through the unresolved emotional etiologic frequency of: Judgemental.

**Here is the update on past frequencies that were revealed and added to the AIM Program last week:**

8535, 8545, 8555, 8565 & 8516 We believe have balanced in all those AIM Participants who were clearing them.

Regarding the frequencies that have cleared, we clarify: "We cannot say with certainty or accuracy that they have cleared in all, because we cannot check all. Additionally, some heal more slowly because of underlying energetic weakness, such as the frequency of parasites."

**REMINDER:** Although the frequencies have balanced in those who are positive for them, we may have to allow our physical being to strengthen to notice the positive effects.

### Celebrities talk about AIM.

**Linda Gray**... Actress, Goodwill Ambassador on Women's Issues to the United Nations

"The spiritual technology illustrated in Sanctuary: The Path to Consciousness seems quite normal to me and to the many people I have sent to EMC<sup>2</sup>. I have been a participant for many years."

**Rakim**...Hip-Hop pioneer and Mega-Star and his son Jabar

Rakim: "I would say to my fans...the best thing I could tell them is it's called The AIM Program. It's the perfect thing for us. This is my big little man here; this is my son Jabar. I've been talkin a lot for him, but I'm gonna let him tell you how he feels about the situation."

Jabar: "I feel good since I've been on the program. And I could play football now, and not have to worry about the seizures. I could just live a normal life."

Rakim: "I'm grateful. And I know he is and, you know this is a thing that everybody need in they life. It's our body healing ourself. And one of the first things that Stephen said to me. I'm not gonna do anything for you, I gonna set you up where you could heal yourself. Respecting the program so much, I was kinda scared to talk about it. You don't know if they are really going to understand what you trying to tell 'em. It seems far-fetched. I think this right here is the future. And I think, you know, we all need to know about it."

**Burt Bacharach**...Internationally Known Composer and Performer

"It would be unfortunate for anyone not to avail themselves of AIM Energetic Balancing."

**Dr. Wayne Dyer**... Internationally Reknowned Author and Spiritual Teacher

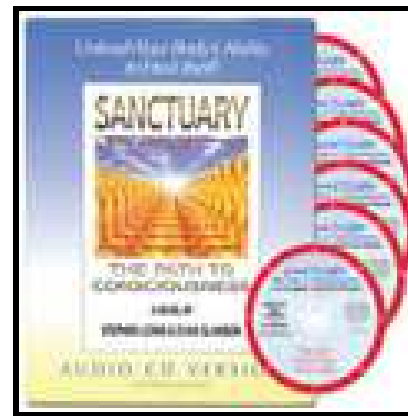

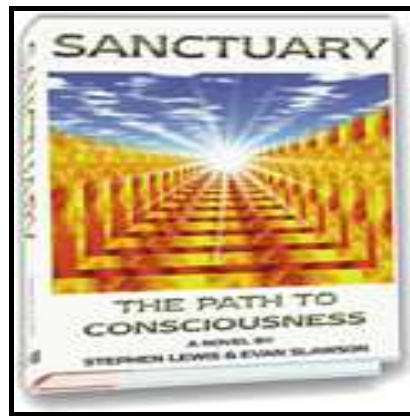

"Everything is energy. Everything and everyone has a frequency. Those frequencies that are out of balance with our natural harmony can be identified and removed. I know this to be true. I have seen the AIM Energetic Balance process at work. I practice it daily. My entire family participates in The AIM Program and I have seen wonderful results. This is real, it is transforming, it is true healing, it is a giant step into the inevitable future where each of us is our own personal transcendental and totally enlightened healer. I have found that in my higher self and so can you. It is available now."

Dr. Dyer has written 29 books and has appeared on thousands of television and radio shows. He speaks extensively about The AIM Program in his book and taped lecture series There's A Spiritual Solution to Every Problem.
