## Events

### ***Everything is Energy Show Topics for Episode #483 05/21/15:***

- All discussions of energetic imbalances *reference certain frequencies an imbalance may be similar to. A frequency is NOT the actual disease.*
- Newly revealed Hereditary imbalances added to the AIM database.
- What Stephen's first major teacher taught him: "The concept that we don't know a darn thing. We see and know 10% of the iceberg above water. 90% of the iceberg that we can't see is what sank the Titanic and is what defines my area of work."
- Healing, like life itself, is a spiritual phenomenon. Referenced the excerpt in Wayne Dyer's "There's A Spiritual Solution to Every Problem" that highlights Stephen's work and AIM (the audio and transcript is available on all of our web sites, linked on the homepage on Facil sites).
- Speaking of "The Power of Your Intention" (book by Wayne Dyer), it's your intention that creates a world of joy, or of cancer or anything else.
- What AIM does is bring something to your consciousness that you then heal/get rid of - there is no medicine, no treatment, just you healing with the help of a tool called AIM.
- Read a paragraph from the Max Speaks chapter in Sanctuary, something we'll visit more next week. This is a good companion to last night's monthly call/discussion of self-responsibility.

## Newly Revealed Hereditary Frequency Update As of May 21, 2015

**This week there were three new Hereditary frequencies revealed to us.**

The first new Hereditary frequency 8557 was revealed to us and added to the AIM Program on May 18, 2015. This frequency is believed to function within the energetic orbs of the Brain, Muscles, Joints, Throat, Sinuses, Heart, Low Back and Hip Joints or wherever it is in you!

It may manifest itself through the unresolved emotional etiologic frequency of: Irritability.

The second new Hereditary frequency 8567 was revealed to us and added to the AIM Program on May 18, 2015. This frequency is believed to function within the energetic orbs of the Lymph Glands, Lungs, Respiratory System, Digestive Tract, Kidneys, Bladder and Urinary Tract or wherever it is in you!

It may manifest itself through the unresolved emotional etiologic frequency of: Embitteredness.

The third new Hereditary frequency 8518 was revealed to us and added to the AIM Program on May 20, 2015. This frequency is believed to function within the energetic orbs of the Spine, Muscles, Joints, Lungs, Respiratory System, Throat, Sinuses, Heart, Skin and Brain or wherever it is in you!

It may manifest itself through the unresolved emotional etiologic frequency of: Irritability.

**Here is the update on past frequencies that were revealed and added to the AIM Program last week:**

8566, 8517, 8527, 8537 & 8547 We believe have balanced in all those AIM Participants who were clearing them.

Regarding the frequencies that have cleared, we clarify: "We cannot say with certainty or accuracy that they have cleared in all, because we cannot check all. Additionally, some heal more slowly because of underlying energetic weakness, such as the frequency of parasites."

**REMINDER:** Although the frequencies have balanced in those who are positive for them, we may have to allow our physical being to strengthen to notice the positive effects.

*For more information on the latest frequencies you can listen to the Everything is Energy Show every Thursday morning from 9-10 AM (Pacific). (See the listing in [Events](#).)*

## Kathy from California

After twenty-two years of vertigo, hearing loss and dizziness, I started energetic balancing through The AIM Program. I had been tested for every possible ear malady, had exploratory surgery, and was finally told, I would have to learn to live with it. After starting The AIM Program, in three weeks my vertigo flared up quite severely

one final time, then disappeared completely. I attribute the absence of vertigo and dizziness to the energetic balancing of a frequency that had been out of balance for many years. I have not had another attack since that day. It is my belief that The AIM Program helped me heal myself of the vertigo and dizziness.
