Everything is Energy Show Topics for Episode #487 06/18/15:

- All discussions of energetic imbalances *reference certain frequencies an imbalance may be similar to. A frequency is NOT the actual disease.*
- Newly revealed Hereditary imbalances added to the AIM database.
- Discussed types of frequency components that can impact the orb of the heart and hence your sleep.
- Discussed many of the most common health issues people face and why it's so urgent that we heal hereditary frequencies before they become "active" (see the AIM Glossary on all of our web sites).
- A few enhancing frequencies that might assist you through detox: Frequencies to induce courage and to induce you to envision healing. Stephen reminded us that these positive energies are volitional and very real, but it always gets back to the power of your intention. Your healing is contingent upon the degree to which you focus on healing.
- Spirituality is a matter of faith; the more you know scientifically, the more faith may be a challenge.
- We are here discussing a spiritual technology, but spirituality is you healing you; the technology just augments the spirituality.

Even calling it "signs of healing" sometimes doesn't minimize the impact of detox. Deepening our understanding and perceptions of the healing process can make a huge difference.

Newly Revealed Hereditary Frequency Update As of June 18, 2015

This week there were four new Hereditary frequencies revealed to us.

The first new Hereditary frequency 8613 was revealed to us and added to the AIM Program on June 15, 2015. This frequency is believed to function within the energetic orbs of the Muscles, Spine, Digestive Tract, Joints, Lungs, Respiratory System and Heart or wherever it is in you, if you have it. It may manifest itself through the unresolved emotional etiologic frequency of: Dissatisfaction.

The second new Hereditary frequency 8623 was revealed to us and added to the AIM Program on June 15, 2015. This frequency is believed to function within the energetic orbs of the Bladder, Urinary Tract, Kidneys, Brain, Skin, Lungs and Respiratory System or wherever it is in you, if you have it. It may manifest itself through the unresolved emotional etiologic frequency of: Tenseness.

The third new Hereditary frequency 8633 was revealed to us and added to the AIM Program on June 15, 2015. This frequency is believed to function within the energetic orbs of the Entire System, Lungs, Respiratory System, Bladder, Urinary Tract and Kidneys or wherever it is in you if you have it. It may manifest itself through the unresolved emotional etiologic frequency of: Apprehension.

The fourth new Hereditary frequency 8643 was revealed to us and added to the AIM Program on June 15, 2015. This frequency is believed to function within the energetic orbs of the Spine, Muscles, Joints, Lungs, Respiratory System, Digestive Tract and Lymph Glands or wherever it is in you if you have it. It may manifest itself through the unresolved emotional etiologic frequency of: Worry.

Here is the update on past frequencies that were revealed and added to the AIM Program last week:

8612, 8622, 8632, 8642. 8652 and 8662 We believe have balanced in all those AIM Participants who were clearing them.

Regarding the frequencies that have cleared, we clarify: "We cannot say with certainty or accuracy that they have cleared in all, because we cannot check all. Additionally, some heal more slowly because of underlying energetic weakness, such as the frequency of parasites."

REMINDER: Although the frequencies have balanced in those who are positive for them, we may have to allow our physical being to strengthen to notice the positive effects.

Michelle from Colorado

Prior to self healing on The AIM Program, I suffered from Polycystic Ovarian Syndrome (POS) which caused non-existent menstrual cycles. I lived with this my entire adult life and assumed it was just my eternal condition; it ran in my family in fact.

When I was 32 and decided I wanted to try to have a baby with my husband, it took fertility drugs and a lot of time. Miraculously, I did get pregnant and we now have a perfect 3 1/2 year old.

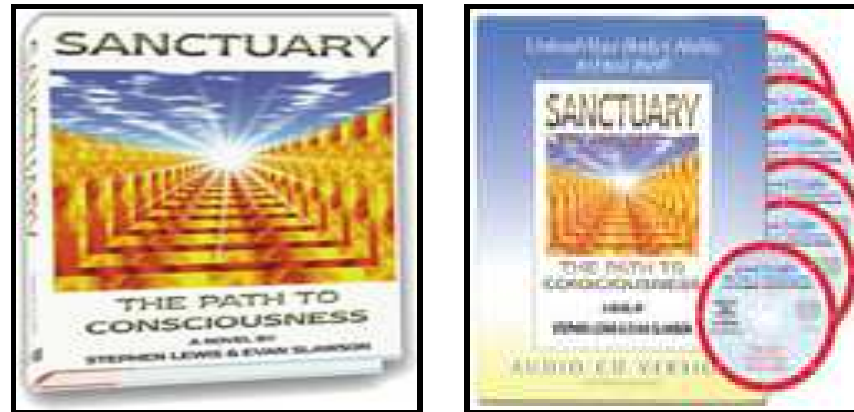

When my daughter was about one, we put our entire family on The AIM Program. First thing I noticed was, I was having monthly periods. My condition was gone. In fact, I've never missed a period ever again, and have no signs or symptoms of POS today. I attribute this to self-healing on The AIM Program.

Recently, my husband and I asked the question whether we should try again and have another baby ... All we did was open up the topic and I got pregnant. Talk about meant to be! I'm turning 40 in two weeks and beating

the odds (as is our unborn son) and living a healthy life by using the graceful and magnificent tool of The AIM Program to self heal!
