Everything is Energy Show Topics for Episode #488 06/25/15:

- All discussions of energetic imbalances *reference certain frequencies an imbalance may be similar to. A frequency is NOT the actual disease.*
- Newly revealed Hereditary imbalances added to the AIM database.
- Continued the discussion of how spirituality is the core of healing and of our technology. One's intellect can close them off from spirituality and being open to the reality of self-healing and AIM.
- There are many disciplines available to us to help us understand our consciousness and be more aware of what we are doing with it, versus simply remaining a leaf tossing about in the ocean.
- Read the Prologue in Sanctuary, available on all of our web sites: "What if one day you woke up and realized that the world was different than you thought - vastly different?..."
- Stephen believes that "living your life this way is not easy, but it's mandatory".

Newly Revealed Hereditary Frequency Update

As of June 25, 2015

This week there were five new Hereditary frequencies revealed to us.

The first new Hereditary frequency 8653 was revealed to us and added to the AIM Program on June 18, 2015. This frequency is believed to function within the energetic orbs of the Skin, Brain, Throat, Sinuses, Heart, Low Back and Hip Joints or wherever it is in you, if you have it.

It may manifest itself through the unresolved emotional etiologic frequency of: Irritability.

The second new Hereditary frequency 8663 was revealed to us and added to the AIM Program on June 22, 2015. This frequency is believed to function within the energetic orbs of the Spine, Muscles, Joints, Lungs, Respiratory System, Digestive Tract and Lymph Glands or wherever it is in you if you have it.

It may manifest itself through the unresolved emotional etiologic frequency of: Withdrawal.

The third new Hereditary frequency 8614 was revealed to us and added to the AIM Program on June 23, 2015. This frequency is believed to function within the energetic orbs of the Muscles, Joints, Lungs, Respiratory System, Digestive Tract and Adrenals or wherever it is in you if you have it.

It may manifest itself through the unresolved emotional etiologic frequency of: Over Agressiveness.

The fourth new Hereditary frequency 8624 was revealed to us and added to the AIM Program on June 23, 2015. This frequency is believed to function within the energetic orbs of the Spine, Muscles, Joints, Lungs, Respiratory System, Digestive Tract, Brain, Skin and Lymph Glands or wherever it is in you if you have it.

It may manifest itself through the unresolved emotional etiologic frequency of: Inflexibility.

The fifth new Hereditary frequency 8634 was revealed to us and added to the AIM Program on June 23, 2015. This frequency is believed to function within the energetic orb of the Skin causing lumps and Acne or wherever it is in you if you have it.

It may manifest itself through the unresolved emotional etiologic frequency of: Dissatisfaction.

Here is the update on past frequencies that were revealed and added to the AIM Program last week:

8613, 8623, 8633 & 8643 We believe have balanced in all those AIM Participants who were clearing them.

Regarding the frequencies that have cleared, we clarify: "We cannot say with certainty or accuracy that they have cleared in all, because we cannot check all. Additionally, some heal more slowly because of underlying energetic weakness, such as the frequency of parasites."

REMINDER: Although the frequencies have balanced in those who are positive for them, we may have to allow our physical being to strengthen to notice the positive effects.

Tonya from Utah

I am so thankful for The AIM Program!

The members of my family were reluctant but agreed to participate in The AIM Program - they never really "believed" or even thought much about it once they were signed up. It has been one and a half years for me and just less than 6 months for the rest of the family.

I don't recall noticing much detoxing from any of my family members but I notice a huge difference now. I have never had as much love and harmony in my family as we now have. Previously both my teenagers were frequently depressed, my husband and son both had some very serious anger and emotional control issues and there was much arguing and discord.

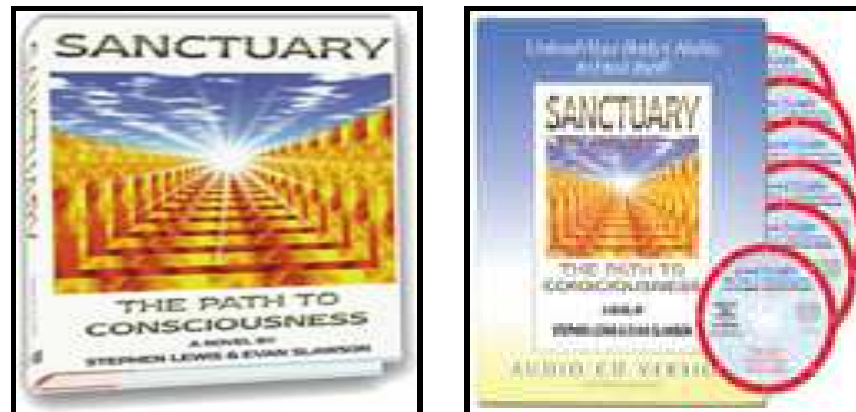

So much has changed! There is so much peace and harmony, my kids are no longer depressed, my son is willing to help, do what he is asked and he and my husband's anger issues seem to have disappeared!! I am

absolutely amazed.

The only thing I can attribute this to is The AIM Program. Thank you EMC² so much for introducing me to The AIM Program!
