Newly Revealed Hereditary Frequency Update As of July 02, 2015

This week there were five new Hereditary frequencies revealed to us.

The first new Hereditary frequency 8644 was revealed to us and added to the AIM Program on June 29, 2015. This frequency is believed to function within the energetic orbs of the Muscles, Joints, Lungs, Respiratory System, Throat, Sinuses, Heart, Bladder, Urinary Tract, Kidneys, Spine and Digestive Tract or wherever it is in you if you have it.

It may manifest itself through the unresolved emotional etiologic frequency of: Depression.

The second new Hereditary frequency 8654 was revealed to us and added to the AIM Program on June 29, 2015. This frequency is believed to function within the energetic orbs of the Skin, Lungs and Respiratory System or wherever it is in you if you have it.

It may manifest itself through the unresolved emotional etiologic frequency of: Impatience.

The third new Hereditary frequency 8664 was revealed to us and added to the AIM Program on July 1, 2015. This frequency is believed to function within the energetic orbs of the Lungs, Respiratory System, Skin, Brain, Muscles, Joints, Spine and Digestive Tract or wherever it is in you if you have it.

It may manifest itself through the unresolved emotional etiologic frequency of: Irritability.

The fourth new Hereditary frequency 8615 was revealed to us and added to the AIM Program on July 1, 2015. This frequency is believed to function within the energetic orbs of the Bladder, Urinary Tract, Kidneys, Joints, Lungs and Respiratory System or wherever it is in you if you have it.

It may manifest itself through the unresolved emotional etiologic frequency of: Worry.

The fifth new Hereditary frequency 8625 was revealed to us and added to the AIM Program on July 1, 2015. This frequency is believed to function within the energetic orbs of the Bloodstream, Circulatory System, Brain, Skin, Lungs and Respiratory System or wherever it is in you if you have it.

It may manifest itself through the unresolved emotional etiologic frequency of: Depression.

Here is the update on past frequencies that were revealed and added to the AIM Program last week:

8653, 8663, 8614, 8624 & 8634 We believe have balanced in all those AIM Participants who were clearing them.

Regarding the frequencies that have cleared, we clarify: "We cannot say with certainty or accuracy that they have cleared in all, because we cannot check all. Additionally, some heal more slowly because of underlying energetic weakness, such as the frequency of parasites."

REMINDER: Although the frequencies have balanced in those who are positive for them, we may have to allow our physical being to strengthen to notice the positive effects.

Catherine from Australia

My experience so far on The AIM Program's Sacrament of Energetic Balancing has been nothing short of startling.

Over the last five years or so, I have been having trouble with aches, pain, and weakness in my knee joints, which was gradually becoming more and more debilitating. I suspected that perhaps this was the beginning of arthritis. Being a female only in my early thirties, this was becoming particularly troubling. About one month into the energetic balancing of The AIM Program the pain ceased, and since that time, I have had no trouble

whatsoever with my knees.

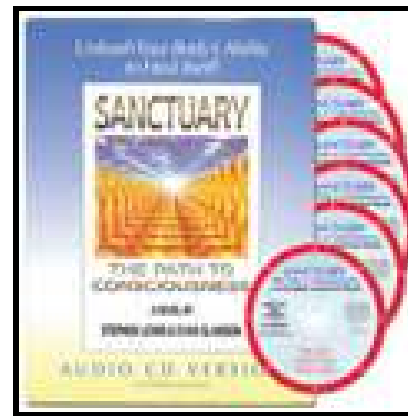

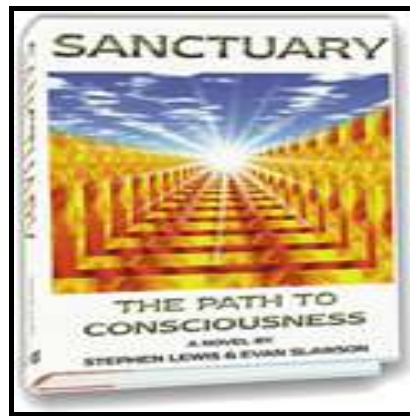

The second remarkable difference I have noticed is that I no longer suffer migraines. For about the last 15 years, any time I was exposed to perfumes, petrol fumes, paints, new car smell, etc., no matter how I tried not to think about it or pre-empt it, I always suffered a painful migraine afterwards. Seven months after I went on The AIM Program I noticed one day after going perfume shopping that I felt perfectly fine! This was extremely bizarre, as no matter how hard I tried over the last 15 years to shop for perfumes, I always felt ill afterwards. I was forever on the hunt for a perfume that would not make me ill. I have been sniffing perfumes at least once a week since then, and my boyfriend and I smell so many now that he is the one feeling ill afterwards and not I!

The third thing that I have found is also astonishing. 4 years ago I was diagnosed with Coeliac Disease (Gluten Intolerance). Any time I ate anything containing gluten, I would feel quite unwell afterwards. Since the diagnosis, I stuck to a gluten-free diet. After 7 months of self-healing through The AIM Program I tried to eat gluten again, and this time there was no noticeable reaction whatsoever! I decided to try again the next day, and again, no reaction. Whenever I eat gluten accidentally, or if I find myself in a situation where no gluten-free food is available, I don't have to panic. Having that burden taken off my shoulders now is such a huge relief.

I thank you from the bottom of my heart for bringing this magnificent spiritual technology into others and my life!
