Everything is Energy Show Topics for Episode #489 07/09/15:

- All discussions of energetic imbalances *reference certain frequencies an imbalance may be similar to. A frequency is NOT the actual disease.*
- Newly revealed Hereditary imbalances added to the AIM database.
- This past week was an active one, but Stephen expects to find increasingly fewer "previously unknown" imbalances by the end of July.
- Discussed some of the most common frequency components that keep showing up and their potential impact in those who have these imbalances.
- Stephen doesn't know the full energetic impact of parasite imbalances, other than they definitely slow down one's healing. This is why he avoids uncooked food, flies and all other insects.
- Where one experiences detox and the severity of detox when healing a given Hereditary imbalance can vary in those who have the same imbalance.
- One's general state of health and what imbalances may have already manifested are two key factors that impact one's healing experience.

Newly Revealed Hereditary Frequency Update As of July 09, 2015

This week there were four new Hereditary frequencies revealed to us.

The first new Hereditary frequency 8635 was revealed to us and added to the AIM Program on July 7, 2015. This frequency is believed to function within the energetic orbs of the Muscles, Joints, Lungs, Digestive Tract, Stomach and Skin or wherever it is in you if you have it. It may manifest itself through the unresolved emotional etiologic frequency of: Anxiety.

The second new Hereditary frequency 8645 was revealed to us and added to the AIM Program on July 7, 2015.

This frequency is believed to function within the energetic orbs of the Bladder, Urinary Tract, Kidneys, Lungs, Respiratory System, Muscles, Joints, Digestive Tract, Stomach, Hip Joints and Low Back or wherever it is in you if you have it.

It may manifest itself through the unresolved emotional etiologic frequency of: Dissatisfaction

The third new Hereditary frequency 8655 was revealed to us and added to the AIM Program on July 7, 2015. This frequency is believed to function within the energetic orbs of the Lymph Glands. Found in the orbs of the Bloodstream, Circulatory System, Feet, Muscles, Joints, Lungs, Respiratory System, Throat, Sinuses, Heart and Lymph Glands or wherever it is in you if you have it. It may manifest itself through the unresolved emotional etiologic frequency of: Withdrawal

The fourth new Hereditary frequency 8665 was revealed to us and added to the AIM Program on July 9, 2015. This frequency is believed to function within the energetic orbs of the Lymph Glands. Found in the orbs of the Bladder, Urinary Tract, Kidneys, Muscles, Joints, Lungs, Digestive Tract, Stomach, Penis and Scrotum or wherever it is in you if you have it.

It may manifest itself through the unresolved emotional etiologic frequency of: Over Agressiveness.

Here is the update on past frequencies that were revealed and added to the AIM Program last week:

8644, 8654, 8664, 8615 & 8625 We believe have balanced in all those AIM Participants who were clearing them.

Regarding the frequencies that have cleared, we clarify: "We cannot say with certainty or accuracy that they have cleared in all, because we cannot check all. Additionally, some heal more slowly because of underlying energetic weakness, such as the frequency of parasites."

REMINDER: Although the frequencies have balanced in those who are positive for them, we may have to allow our physical being to strengthen to notice the positive effects.

Judy from Nevada

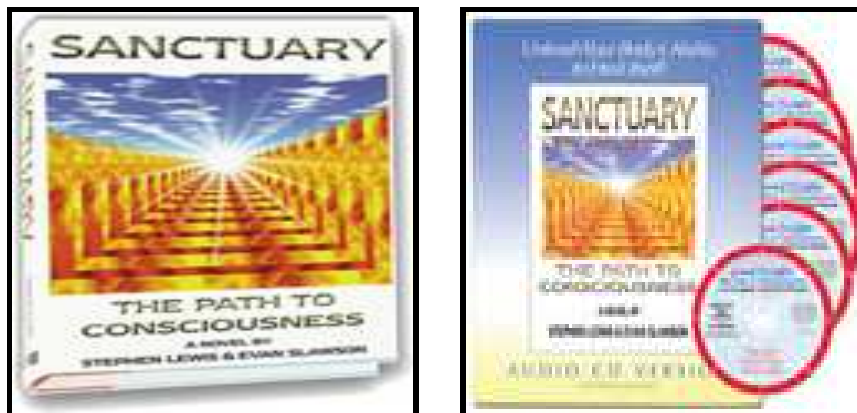

When I read Sanctuary, I felt it might be THE program to help me lessen the mind chatter and lose much emotional baggage. It also made me realize that I was the only one responsible for my well-being regardless of genes or anything else but that likely, this was one thing I couldn't do on my own.

I had no aches or pains, no known illnesses and physically felt good, I just didn't feel much lasting joy inside. After 5 months on AIM, I woke up one day to a very red right eye (my area of weakness from laser surgery) and went to an eye clinic to be checked. They could not find the cause of the redness, which a few eye drops cleared right up but they also told me that the eye was very healthy and they saw no signs of glaucoma, something that had been discovered 2 years prior.

Then, the vision in that eye started improving. This is a huge deal for me! While that is the only physical thing, all the even more important things seemed more obvious after that. Words are inadequate to describe how far I have come in awareness, in accepting and forgiving myself and others. I find much comfort and excitement knowing that AIM will help me heal any imbalance as soon as it arises, that I have increasing mental clarity and continued help in focusing on all the enhancing frequencies I want more of, like perpetual gratitude and unconditional love. Two years now and I know its a lifetime treasure for me.
